- A. **COMPETITION INTENDED:** It is Clarke County’s intent that this document permits competition. It shall be the prospective bidder’s responsibility to advise the Director of Joint Administrative Services in writing if any language requirements, specifications, etc., or any combinations thereof, inadvertently restrict or limit the requirements stated in this document to a single source. The Director of Joint Administrative Services must receive such notification not later than ten (10) calendar days prior to the date set for the bids to close.
- B. **INQUIRIES:** If any prospective bidder has questions about the specifications or other solicitation documents, the prospective bidder shall contact the Director of Joint Administrative Services, no later than seven (7) days before the due date.

Any changes after the bid is advertised will be official only when submitted in writing and signed by the Director of Joint Administrative Services.

Any and all changes will be made by addendum and sent to all recorded holders of the bid documents.

All addenda issued will become part of the bid.

For a list of specific persons available to discuss this bid, see Points of Contact.

- C. **INCONSISTENCY IN PROVISIONS:** In the event there are inconsistencies between the General Terms and Conditions and any other schedules contained herein, the first shall govern.
- D. **COOPERATIVE PURCHASING:** It is the desire of Clarke County that all other jurisdictions be allowed to “ride the bid” and enter in to a contract with any successful Contractor chosen by Clarke County, based on mutual agreement between successful Contractor(s) and other jurisdiction(s).

If this bid is used as a cooperative IFB issued by Clarke County, the following would apply:

2. Clarke County is acting as the “Contracting Agent” for the jurisdictions concerned and shall not be held liable for any costs, damages, etc., incurred by any other jurisdiction.
3. Each jurisdiction will execute its own purchase orders with the Contractor(s) and be invoiced accordingly, in accordance with each jurisdiction’s purchasing policy and procedures.
4. For copies of other jurisdictions’ terms and conditions, Contractor must contact them.

- E. **ETHICS IN PUBLIC CONTRACTING:** The provisions contained in Article 6 of the Virginia Public Procurement Act (VPPA) as set forth in the 1950 Code of Virginia, as amended, shall be applicable to all contracts solicited or entered in to by Clarke County. A copy of these provisions may be obtained from the Director of Joint Administrative Service upon request.

By submitting their bids, all bidders certify that their bids are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other bidder, supplier, manufacturer or Subcontractor in connection with their bid, and that they have not conferred to any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

The provisions referenced above supplement, but do not supersede, other provisions of law including, but not limited to, the Virginia Conflict of Interest Act (§2.2-3100 et. Seq.). The provisions apply notwithstanding the fact that the conduct described may not constitute a violation of the Virginia Conflict of Interests Act. To the extent that violations of the ethical standards of conduct constitute violations of the Code of Virginia, they shall be punishable as provided therein. Such sanctions shall be in addition to the civil remedies set forth.

By entering into a contract, the bidder conveys, sells, assigns, and transfers to Clarke County, all rights, title and interest in and to all causes of the action it may now have or hereafter acquire under the anti-trust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by Clarke County, under said contract.

Consistent and continued tie bidding could cause rejection of bids by Clarke County and/or investigation for anti-trust violations.

- F. **TAX-EXEMPT STATUS:** Since municipalities and school districts are exempt from all direct federal and state taxes, Clarke County is tax-exempt and will provide a tax-exempt certificate upon request.

- G. **APPLICABLE LAWS AND COURTS:** This solicitation and any resulting contract shall be governed by the laws of the Commonwealth of Virginia. All Court proceedings shall be held in the Commonwealth of Virginia. The contractor shall comply with all applicable federal, state and local laws, rules, ordinances, and regulations.

The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

1. A bidder, for contract other than for public construction, may request withdrawal of his/her bid before award, by submitting a written request to the Director of Joint Administrative Services.
2. After bid/proposal opening, corrections shall be permitted only to the extent that the vendor can show by clear and convincing evidence that a mistake of a nonjudgmental character was made, the nature of the mistake, and the price actually intended. After the opening, no changes in prices or other provisions of bids/proposals prejudicial to the interest of the County or fair competition shall be permitted. In lieu of bid correction, a low bidder/offeror alleging a material mistake of fact may be permitted to withdraw its bid/proposal if:
 - a. the mistake is clearly evident on the face of the bid/proposal document but the intended correct bid/proposal is not similarly evident; or
 - b. the vendor submits evidence which clearly and convincingly demonstrates that a mistake was made. All decisions to permit the correction or withdrawal of bids, or to cancel awards or contracts based on bid mistakes, shall be supported by a written determination made by the Director of Joint Administrative Services.
3. If bid bonds were tendered with the bid, Clarke County may exercise its right of collection. No bid may be withdrawn under this paragraph when the result would be the awarding of the contract on another bid of the same bidder in which the ownership of the withdrawing bidders is more than five percent (5%).

5. Except as otherwise provided by regulation, all decisions to permit the correction or withdrawal of bids, or to cancel awards or contracts based on bid mistakes shall be supported by a written determination made by the Director of Joint Administrative Services.

O. AWARD SPECIFICS

1. Clarke County reserves the right to accept, reject and/or cancel all or any part of any Response Form, and to waive minor technicalities.
2. Awards will be made to the lowest responsive and responsible bidder(s), provided services and quality are considered to be equal to (or better than) that offered by other bidders, and the right is reserved to make the award to other than the lowest bidder when it is in the best interest of Clarke County. Further, Clarke County will be the sole judge as to conditions affecting such interest.

9. The right is reserved to cancel any contract and reject deliveries of any products or materials not in accordance with the specifications. All returns or exchanges will be at the Contractor's expense. Clarke County shall be the sole and final judge.
10. The Contractor shall pay all sales, consumer, use and other similar taxes for work or portions thereof provided by the Contractor which are legally enacted at the time bids are received, whether or not yet effective.
11. The right is reserved to decide when a deviation from specifications is of sufficient consequence, when measured against the purpose for which the item will be purchased, to justify including it for consideration. Clarke County shall be the sole and final judge.
12. Should the delivery of any part of an order be delayed beyond time specified, or should any portion of the products delivered fail to comply with the specifications, Clarke County shall have the right to buy at market price for immediately delivery, and any excess cost of same over the price named herein is to be paid by the Contractor or deducted from any money due him/her thereafter.
13. If delay is foreseen, the Contractor shall give thirty (30) days prior written notice to the Director of Joint Administrative Services. Clarke County has the right to extend delivery date if reasons appear, in the sole discretion of Clarke County, to be valid. The Contractor must keep Clarke County advised at all times of status of order.

2. Any such termination shall be effected by delivery to the Contractor at least ten (10) business days prior to the termination of a written Notice of Termination specifying the extent to which performance shall be terminated and the date upon which such termination becomes effective.
3. An equitable adjustment in the contract price shall be made for completed service, but no amount shall be allowed for anticipated profit or unperformed services.
4. If any work or service hereunder is in progress, but not completed as of the date of termination, then this contract may be extended upon written approval by Clarke County until said work or service is completed and accepted.
5. Possible reasons for termination are:

In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges that appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the County of Clarke shall promptly notify the contractor as to those charges that it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification.

- b. Pay the Subcontractor(s) interest at the rate of one percent (1%) per month (unless otherwise provided under the terms of the contract) on all amounts owed by the Contractor that remain unpaid seven (7) days following receipt of payment from Clarke county, except for amounts withheld as stated above.

W. DISPUTES

1. Contractual claims, whether for money or other relief, shall be submitted in writing no later than sixty (60) calendar days after final payment; however, written notice of the Contractor's intention to file such claim shall have been given at the time of the occurrence or beginning of the work upon which the claim is based.

3. Written protest shall include basis for the protest and relief sought.

Y. USE OF BRAND NAMES

1. Unless otherwise provided within this document, the name of a certain brand, make or manufacturer does not restrict bidders to the specific brand, make or manufacturer names; it conveys the general style, type, character, and/or quality of the article desired, and any article which Clarke county in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted.
2. Any catalog, brand name or manufacturer's reference used in the bid invitation is descriptive – not restrictive – it is to indicate the type and quality desired.
3. Bids on brands of like nature and quality will be considered.
4. If other than brand specified is offered, illustrations and complete description (manufacturer, brand or trade name, catalog number, etc.) must be submitted with bid. Please note that samples may be required.

2. Quantities shown shall not be construed to represent any amount which Clarke County shall be obligated to purchase under the contract, or relieve the Contractor of obligation to fill all orders placed by Clarke County.
3. No bid will be considered which stipulates that Clarke County shall guarantee to order a specific quantity of any item.

CC.
