Documents or any other matters presented for its consideration if the Applicant has failed to comply with the requirements of these Rules.

Section 7.2 Repeal of Actions Previously Taken.

The Authority may rescind or repeal any inducement resolution previously adopted by it or any other action taken by the Authority because of failure of the Applicant to comply with the provisions of these Rules or because of substantial changes in the management, ownership, Project plan or financial circumstances of the Applicant; provided, however, no inducement resolution or action taken by the Authority shall be repealed or rescinded unless prior written notice of such proposed action shall have been mailed to the Applicant at least three weeks before the date upon which such action is proposed to be taken. Notwithstanding the foregoing, no such action shall be taken by the Authority which will impair or adversely affect the interests of the holders of the Authority's Bonds.

Article VIII

Statements of Policy

Section 8.1 Construction, Operation and Effect of Rules.

These Rules are intended as guidelines to promote and insure the orderly and consistent consideration of Applications, Financing Documents and other matters brought before the Authority. For good cause, application of these Rules may be modified and waived upon a case by case basis upon the consent of the Authority. Any action taken by the Authority not in conformity with these Rules shall, nevertheless, be fully effective as if taken in compliance with these Rules. It is, however, the policy of the Authority that each Applicant comply fully and completely with these Rules, and failure to comply with these Rules may constitute grounds for refusal by the Authority to take any action requested.

Section 8.2 Approval of Inducement Resolution not to Constitute an Endorsement of Applicant.

The purpose of the Authority, as set forth in the Act, is to promote industry and develop trade by inducing manufacturing, industrial, governmental, commercial and non-profit enterprises to locate in or remain in the Commonwealth of Virginia. Pursuant to the Act, the Authority's powers shall be exercised for the benefit of the inhabitants of Virginia through the promotion of their safety, health, welfare, convenience or prosperity. Accordingly, the Authority's decision to adopt an inducement resolution or take other action will be based largely upon these factors. Further, the Act prohibits the Authority from operating any enterprise or Project. Since the Authority is a conduit for providing tax exempt financing to promote the commerce and industry of the Commonwealth of Virginia and the County of Clarke, Virginia, and given the express prohibition against

operating enterprises or Projects, the Authority believes it is improper for it to inquire into matters relating to the business judgment of the management of any Applicant not relevant to the foregoing factors. The Authority may, however, examine the business decisions and other aspects of management of the Applicant should it deem such matters relevant to the authorization, issuance and sale of its Bonds.

In view of the foregoing limitations, the adoption of an inducement resolution or any other action taken by the Authority is not to be used by any Applicant in any manner whatsoever as an endorsement or approval of the Applicant, its policies or its management.

Section 8.3 Security for Payment of Bonds.

The Authority will require a showing that any issue of its Bonds is fully and adequately secured.

Section 8.4 Compliance with Rules.

These Rules were adopted by the Authority to assist in the orderly and expeditious conduct of its business. As stated in Section 3.2 of these Rules, the Authority has reserved the right to require that any Applicant strictly conform to the requirements of the Rules. Among other things, the Rules require that each Applicant inform the Authority of any new developments or material changes in information which has been submitted to the Authority, either orally or in writing. Matters concerning the structure of the financing, the prospective purchasers of the Bonds and the security for payment of the Bonds are items of particular interest to the Authority; however, the Authority expects to be kept informed of all material changes to information submitted to it.

By submitting an Application to the Authority, the Applicant agrees to abide by these Rules. Thus, the burden is placed upon the Applicant to review and to comply with these Rules. The principal sanction which may be applied by the Authority against any Applicant for failure to comply with the Rules would be a refusal to take any action requested by the applicant. Such a refusal might result in embarrassment to or considerable financial expenses on the part of the Applicant. To avoid such embarrassment or expense, the Authority urges each Applicant to keep the Authority fully informed of any new developments or material changes to information previously submitted to the Authority, including in particular, changes in the contemplated financing structure or the proposed security for the Bonds. As noted above, the burden is upon the Applicant to convey this information to the Authority in a timely manner. What constitutes "timely" depends upon the circumstances of each case; however, each Applicant is urged to provide all such information before considerable time and expense is incurred upon matters which may prove unacceptable to the Authority. Any such communications should be made directly to the Authority's officers, directors and counsel.
