LAND DISTURBANCE PERMIT

Applicant: _____ Date: _____

Address: _____

Phone: _____ Building Permit #: _____ Tax Map #: _____

Directions to Site: _____

The applicant hereby affirms by signature that:

- 1) Adequate control of erosion and sedimentation by temporary and permanent control practices and measures, as determined necessary by the Program Administrator, will be implemented during all phases of clearing, grading, and construction in conformance with the Virginia Erosion and Sediment Control Ordinance, Title 21, Chapter 1, Article 6.1 of the Code of Virginia and the Clarke County Erosion and Sediment Control Ordinance.
- 2) All denuded areas on the lot shall be stabilized within 7 days of final grading with permanent vegetation or a protective ground cover suitable for the time of year.
- 3) Steps shall be taken to prevent any sedimentation of adjoining properties, roadways, or water courses, by maintaining sediment barriers, filters, dikes, or sediment basins.
- 4) Sediment controls shall be in place and functional prior to an up-slope disturbance.
- 5) Any proposed crossing or disturbance of a water course, whether temporary or permanent, must be in conformance with a design approved by Clarke County with the advice of the Lord Fairfax Soil and Water Conservation District Office.

The applicant further agrees that an agent of Town of Boyce shall be permitted entry to the site of the land disturbing activity to inspect the control measures. The applicant also understands that failure to comply with all requirements enumerated in this permit within three working days following notice by the Program Administrator, may result in the initiation of appropriate legal action to compel compliance with said requirements.

NOTE: THE TOWN OF BOYCE RETAINS THE RIGHT TO REQUIRE AN EROSION AND SEDIMENTATION CONTROL PLAN AT A LATER DATE IF DEEMED NECESSARY BY THE PROGRAM ADMINISTRATOR.

Are additional requirements placed on this activity listed on the back of this permit? _____
