1. Mr. Conrad called the meeting to order at 6:57pm.
2. Mr. Buckley made a motion to approve the agenda. The motion was passed with all in favor.
3. Public Comment - None
4. Mr. Weiss cited under the new business section of the minutes, the word “absolve” needed to be corrected to “dissolve”. Mr. Buckley made a motion to approve the July 13th, 2023 minutes as amended. The motion was passed with all in favor.
5. Chief Update
 - Informational reports - Chief Whetsell discussed the packet reports with the group mentioning significant system improvements. He passed around a few example Standard Operating Guideline’s (SOG) for review and explained the general process. Personnel staffing, disaster and hazard mitigation plans, ballistic gear, radio project, paging, dry hydrant signage and recruitment/retention were additional topics discussed. The group had a round table conversation regarding the progress of the FRAG and the future of the commission. No final decision was made at this time and will be further assessed at the next meeting.
6. New Business - None

The attached minutes are DRAFT minutes. While every effort has been made to ensure the accuracy of the information, statements and decisions recorded in them, their status will remain that of a draft until such time as they are confirmed as a correct record at the subsequent meeting.

7. Summary of Required Actions - Mr. Weiss and Chief Whetsell will collaborate with Mr. Boies to identify the next step for dissolution of the commission for the December meeting.
8. Ms. Harrison made a motion to adjourn at 7:55pm. The motion was passed with all in favor.

All meeting documents will be distributed at meeting. Next meeting will be held on Thursday, December 14th, 2023.

Question – Who outside of county won't be able to talk with?

Stephens City – Steve Ritter DFC

Frederick County -Kenwood radios issues

NFIRS

There are 7 NFIRS reports remaining. Please complete ASAP.

VAVRS

VAVRS is by names not by companies, career staff only at this time.

Engine/Tanker 1

October 1st, Engine/Tanker 1 will switch over. List of tools needed? Passport needed? (hard & soft) Mount Weather will follow up.

Quarterly Reporting SOG 200.01 – delete SOG?

Discussion included Chief Coffelt suggest remove “funding” from “funding allocations.”

Discussion included membership status – operational status? (includes insurance) – quarterly membership

1099’s sent in yearly whether wanted

IaR administrative folks not included. Roster – operations/life/support/admin. (blanket coverage)

Decision to delete SOG.

Membership Types – 300.03 – delete SOG?

Discussion included Chief Coffelt asking about “6 calls” which Chief Burns reported historically came from EMS committee and Image Trend. Boyce reported they use hours. Blue Ridge reported they use who “shows up.” Up to individual companies. 60 points for tax relief with signature of each companies FC.

Decision to delete SOG.

Personnel – Vehicle & Equipment 300.04 – delete SOG?

Discussion included Chief 1 asking if we should do away with it or rebuild it? Chief Whetsell advised it was under “active” SOG in the shared drive.

Decision to delete SOG.

Apparatus SOG 400.02

Discussion included responses in section b; remove language of stopping at red lights. Blue Ridge agreed.

Boyce asked about the definition of ambulance vs medic – OMD certified provider defines.

Chief 1 asked about the state law of “due regard for safety” vs 15 mph above speed limit

Chief 4 asked about officer discretion?

Enders bylaw provided by president “due regard in conjunction with Clarke County Sheriff.”

Chief Manley stated the liability is on the driver not the institution.

Recommendation – delete last sentence regarding 15 mph above speed limit.

Discussion in responses in section c; intersection speed – no more than 30 mph **delete** right of way speed limit.

Discussion on page 3 – nonemergency response; close call during rain storm.

Chief Whetsell will send out changes and CCFRAG will vote at next meeting.

New SOGs for next month to include; Knox Box, vehicle backing, 4 story and above structures and incident reports.

Dry hydrant update

Work in progress. Coy is working on developing training. Chief 4 will follow up with Long Branch again.

AFG grant

Denied. CIP for SCBAs – quotes are being obtained from AES and Maryland Fire.

Question: will Enders 5500 cylinders be compatible?

Training committee

Clarke County Fire & Rescue Advisory Group

MEETING NOTES

Monday, October 23rd, 2023

Opening: 1901 HRS

Present: Wayne Whetsell (CHIEF, CCFR), Sam Miller (Prez C1), JC Baylock (C1), Marie Zimmerman, Lee Coffelt (C4), Bryan Conrad (AC4), Jason Burns (C8),

Guests: Pam Hess (ECC), Becky White (ECC), Chief Deputy Sheriff Travis Sumption, Jay Arnold (Mayor of Berryville)

Chief's topics:

Radio project update from Chief Deputy Sheriff Travis Sumption

Completion – needs finalization. Motorola has done their part. Fire channel 1 isn't as good as Fire channel 2 & 3 because of Madison County. When complete 04/24? Giving up their VHF channels. Paging card arrived 11/09. Patch and unpatch with testing to determine if there is an issue. Kudos and thanks to Chief Whetsell and Chief Burns for their dialogue, communication, and passion. The goal is to be finalized before the end of the year.

Question – Do we want to reprogram FC2 & FC3 up and move FC1 down or wait until Madison reprograms? (Their tower needs to be built.)

Discussion – LE channel works as it should. Reprogramming cost money which the Sheriff office has available. \$40,000 - \$50,000 for digital tuning. A station representative would have to be present in station the day of reprogramming and would be ASAP preferred. Still plans for base station updates. Parts (control heads & wiring) should be delivered 10/24.

Chief Coffelt – appreciation for Travis's hard work. South County with FS4 historically has problems, not a good option. FC2 is good. (problems with mobile & portable). Several issues: program manager unreliable? Multitude of issues. Fair amount of curiosity, permanently patched to paging? Travis doesn't know. FC3 is performing well with testing. Conrad has no faith in Madison being ready on 04/24. Enders & Blue Ridge supports. No difference in FC2 & FC3 in Blue Ridge.

Engine/Tanker 1

Done. Changes made in ECC. Memo sent to surrounding jurisdictions on the change. Passports updated.

Board of Supervisors meeting

Hazard mitigation plan approved. Approved resolution to burn ban. Chris Bois or Chief to make that call.

EOC

Cases are completed. Laptops and phones are labeled appropriately. Nov/Dec/Jan tabletop involving all chiefs.

NFIRS

2022 submitted to the state.

Chief's meeting

MAYDAY SOG will be updated with change. Call MAYDAY then press the EA button.

Fire commission meeting

Dissolving 12/23. The next step to dissolve being laid out by Chris Bois and will be shared in the future. Mr. Lockler expressed concerned about finances. Mr. Weiss explained that the BOS gets involved. There were multiple concerns about citizen representation.

Recruitment & Retention

Brochures were updated and reprinted.

Job Fair on Friday at school. Boyce went with squad & ambulance. High turnout for F&R.

CIP update

Remove SCBA for this round. Purchase SCBA for Blue Ridge & county (\$300,000 to be used) for 26 packs, 52 bottles. 3 RIT packs and 26 face pieces. Boyce needs 22 and Enders wants 20. May adjust as needed.

Life packs staying in. (\$50,000 next 3 years) – 3 life packs

Keeping \$105,000 for repeaters – 28 portables \$ 12 bank chargers ordered. Boyce ordered a replacement for one involved in squad fire.

Budget needs/wants – staff meeting for budget today.

Virginia Infusion Center

2 to 3 emails daily. Impact to Clarke County on October 25th, a national student walk-out with possible impact?

Report (handout)

BOS and Fire Commission shown report. County average response time is 8:15 – impressive. Dispatch to on scene – what is causing better times? Volunteers are more active. 4 staff at Enders, mutual aid company assisting. Always been that time.

SOGs

Apparatus SOG 400.02 changes added from last month's meeting. **ADOPTED.**

Lock Box Key Control for Structure SOG 100.04

Voluntary in the county and poorly worded. There isn't a code. We need definitions. Will clean up and send it out for the next meeting. Chief Burns suggested a form be created if we force a door. Jay asked about an ordinance for Knox boxes for commercial buildings over a certain square footage.

Vehicle Backing SOG 100.07

Add hand signals (EVOC).

Spotter – in addition to backer, assist.

Backer – person at left rear assists driver.

Speed backing – engine idle speed when backing \$100,000 damage to tanker.

Changes for next month to adopt.

Incident Reports 100.08

#4 keep definitions. Short form? Want it shredded? YES

#11 reports within 12 hours of incident

Updated changes for next month to adopt.

Training committee

No meeting.

11/23 Blue Ridge will host a pit crew PowerPoint (Limited people/lots of people)

Blue Ridge obtaining a sea container to create a Mayday training prop. County help provide supplies.

Clarke County HS Board reached out to build something for student competition (training props?)

Water rescue training in the spring

VAVRS extrication course with Boyce next spring

Enders Highway safety and new I-gels on Thursday by Maria

Dry hydrant

Approved by Long Branch

ECC- “perpetual state of training”

Blue Ridge – prop to be built. Chief Burns wanted to clarify that Company 8 has a lot of pride in themselves. They “serve the citizens” and can’t be foolish with their pride in not asking for career staff and assistance from the Board of Supervisors with SCBA.

Boyce – pancake breakfast 11/11. The brush truck is coming along. There is a fall bazaar on Saturday from 10 – 4. With 46 booths and food.

Enders – Cash party this Saturday. Turkey Trot on 11/18 with 150 runners. Pancake breakfast 11/19. Lawrence from the Ruritans has 3 checks to present at the next meeting.

Next meeting is November 27th, 2023 @ 1900.

The meeting adjourned at 2004.

Re: Process Question

Date: December 6, 2023

It is my understanding that clarification was requested at the October meeting of the Fire-EMS Commission on the process necessary for the County to dissolve the Commission. It is also my understanding that the Commission will likely make a recommendation to the Board of Supervisors at the Commission's scheduled meeting in December. If a recommendation is made in December, the following actions would follow:

An update would be provided to the Board of Supervisors at their December 19th meeting. If the Board decides to dissolve the Commission, it would need to authorize a public hearing for January 16, 2024. That public hearing would contain text amendments to Chapter 17 of the Code of Clarke County to eliminate the Commission from the County Code.

If authorized by the Board, a public hearing would be advertised and held the evening of January 16, 2024, and the Board of Supervisors could then vote on the text amendments, which would effectively eliminate the Commission.

Should the Board vote to eliminate the Commission, County staff through the FRAG and three companies would work to update the existing Fire and Rescue Joint Agreement dated February 3, 2021 as this agreement contains references to the Commission. The agreement also contains references to the County "Director" instead of "Chief" so it needs to be updated anyway.
