Services Quarterly Report

In APS, both December and February showed an increase in APS referrals. CPS referrals remained consistent in both December and January and increased in February. In-Home cases decreased by two in February and Foster Care cases increased by one in January when a 13-year-old child was removed from her home and placed in care with family. There is an upcoming Family Partnership Meeting with a family who is currently fostering a seven-year-old child who has been in at least ten placements. The agency will discuss the topic of adoption at the upcoming meeting.

Eligibility Quarterly Report

Desiree Minter has been temporarily filling in as the Benefit Programs Supervisor but was recently hired to permanently fill this position. Due to high turnover, caseloads are being moved frequently until staff is hired. Emergency Hire, Jessica Lucas-Hartman, began March 11th and is fully trained in IV-E.

There was an increase in SNAP and Medicaid applications in January and February however all other program areas remained consistent.

The Northern Regional SNAP Consultant provided in-person training to benefit workers at the beginning of March.

Director's Update

The Northern Regional Office will provide Board members with training on April 12th at 2:00 pm in the agency's Board Room.

Ty Parr, Director of Local Engagement and Support, came to visit CCDSS on March 14th. He was able to visit with staff, observe processes the agency implements and learn more about community resources that are provided to clients.

The Finance Committee met on March 19th however the agency is still waiting for their proposed budget to be approved. This could be the possible state and county proposed salary increases. Jen will keep the Board updated with any news regarding the FY25 budget.

The LRT that began in November 2023 is still ongoing. Jen and Rachael are providing multiple documents to the auditors each week to ensure requests are being met in a timely manner.

The second round of interviews for the BPS I position will be held on 3/22/24. After this position is filled, the interviews will begin for the BPS I/II vacancy that Jessica Lucas-Hartman is currently filling.

The Family Fun Event is planned for 4/25 and Jen will attempt to get a promotional piece about the event in either the Winchester Star or the Clarke.

The Services Team held their first Open House event on 3/1. Many first responders and other community partners came out and showed their support while meeting the CCDSS Services Staff.

Adjournment

The Board was polled, and no other matters were needed for discussion. No other subjects in the room. Motion by Robin York seconded by Anne Cushman, the Board by voice vote, voted unanimously to adjourn the meeting. Motion carried. The meeting adjourned at 10:18 am. to reconvene on April 17, 2024, at 9:30 a.m. at the Clarke County Government Center, 101 Chalmers Court, Berryville, Virginia 22611.
