David.

I just realized that I had not confirmed with you regarding afternoon or evening. Either one works, but afternoon would be better. Mr. Shipe plans to attend as well.

Thanks,

Matt

Matt, I think the April meeting will be fine. I know that recent outages have prompted some of the interest as they continue to occur despite your enhanced efforts to clear right of way. Also, the Board members commented that they have been the recipients of several comments about the costs and community members expectations that rate increases had been buffered. Finally, they would like to have a quick lesson in how the coop is different from a typical utility company and hope that Mr. Sipe, our local board member can be present as well.

We meet in both the afternoon and evenings. Would one or the other work better for Rappahannock?

Let me know and we will try and tie the time down more closely as we prepare the agenda for the April Meeting.

David.

I hope you are doing well. Jeff asked me to follow-up with you concerning your board's request. REC will be glad to attend the board meeting either month. Our CEO would like to participate, but is not available until the April meeting. Is that soon enough? Let me know and we will reserve whichever date works better for you.

Take care,

Good Morning Jeff,

My Board has asked that I try and get someone from Rappahannock to come to a Board meeting in March or April to discuss the causes of what have been perceived to be more frequent than normal power outages, unexpectedly higher bills and an explanation on how the coop board works. It was suggested that Mr. Shipe be specifically invited as he represents the area.

The Board meets on March 15 and April 19 beginning at 1:00 PM. Let me know if either of these dates are possible. Give me a call if you have any questions about the request to meet.

Major, the Clarke County BOS meets on March 15 and April 19. Meeting begin at 1:00 PM and we also have evening sessions that begin at 6:30 PM.

Let me know if either of these dates works. If not, we may be able to use a work session, although the Board does not usually take action at these meetings, the presentation could be made and action taken at the following BOS meeting without need of additional presentation.

Subject: Regional Jail Energy Savings Contract Proposal

In October 2010, Siemens submitted an Energy Performance Contract proposal for the Regional Jail recommending an energy savings investment of \$514,312 to achieve a <u>quaranteed annual</u> energy cost savings of \$55,549. The investments included replacement of light ballasts, fixtures and bulbs in the Main Jail as well as a variety of water savings enhancements throughout the facility. The Siemens contract guarantees the annual savings to equal the annual cost of the project over its life. Because of the guarantee clause, there are no new costs to the participating jurisdictions. A general description of the proposed work is attached.

At its January 2011 meeting, the Regional Jail Authority voted to accept the proposal and agreed to financing the cost of the project over 15 years. The lowest financing costs available are through the VRA Bond Pool. VRA requires the appointment of a Bond Counsel to participate and we have selected Mr. Chris Kulp of Hunton & Williams to advise us. After his review of the Restated Jail Agreement, Mr. Kulp advises that we must obtain the formal approval of all four (4) participating jurisdictions as soon as possible but not later than April 29. Mr. Kulp will prepare the necessary resolutions and supporting documentation for presentation to your respective Boards and Council.

For planning purposes I ask that you provide a date for presentation to your respective governing bodies. In the interim, I remain available to answer whatever questions or concerns you may have. Bruce

## Northwestern Regional Jail Detention Center Energy Performance Contract Proposal

(March 10, 2011)

- In October 2010, Siemens submitted an Energy Performance Contract proposal recommending a \$514,312 investment in lighting and water savings measures at the Regional Jail to achieve an annual savings of \$55,499 to \$86,133 over the life of the 15-year proposed contract.
- The proposal is consistent with Virginia Department of Mines, Minerals, and Energy (DMME) standards and was received concurrent with a similar proposal accepted by Frederick County.
- The proposal includes provisions to replace lights, ballasts and fixtures throughout the Main Jail building, bringing the Jail into compliance with the Department of Energy (DOE) mandate to phase out all T12 bulbs and ballasts by 2012. The work proposed also includes re-commissioning the Jail's boilers to eliminate the short cycling, excessive wear and energy waste now occurring. Water saving measures include the installation of spray nozzles and replacement of ice machine heat exchangers in the Jail's kitchen and the addition of an Ozone Applicator to the Facility's commercial laundry system.
- The proposal guarantees a savings of at least 495,409 kWh of electricity; 8,401 ccf of natural gas; and 794,700 gallons of water annually. Certification of savings will occur annually and any shortfalls will be reimbursed by the Energy Services Company (ESCO) each year over the life of the 15-year contract.
- The Regional Jail Authority voted to accept the proposal at its January 2011 meeting and agreed to financing the project's cost over 15 years. The Regional Jail Authority has decided to pursue financing through the Virginia Resources Authority (VRA) Spring 2011 Bond Pool Program. Although bond pool rates will not be set until final VRA pricing scheduled for mid-May, VRA estimates a true interest cost of approximately 4.5% based on current market rates. VRA has recommended a true interest cost pricing parameter of 5.0% or 5.5%. Based on a maximum true interest cost parameter of 5.5%, annual debt service would not exceed \$86,133.
- VRA has recommended a maximum principal amount of \$575,000 as a pricing parameter.
   This amount includes construction costs of \$514,312, local bond counsel costs of approximately \$18,000, local attorney fees of \$5,000 and VRA-related costs of issuance of approximately \$22,500.

- The Regional Jail Authority's restated Jail Service Agreement requires that all participating
  jurisdictions consent by resolution prior to the Authority's incurrence of additional
  indebtedness (such as the Regional Jail Authority's bond to be issued as evidence of the
  loan from VRA).
- The attached resolution has been prepared by the Regional Jail\_Authority's local bond counsel for the approval of all four (4) participating jurisdictions.\_\_This resolution includes changes requested by VRA to address three primary points: (1) the repayment obligations of each participating jurisdiction under the Jail Service Agreement will constitute not only a payment obligation to the Regional Jail Authority but also a payment obligation running to VRA to the extent of debt service due on the loan from VRA, (2) VRA is to be made a third-party beneficiary under the Jail Service Agreement and, as a bondholder, will have consent rights over future changes or amendments to the Jail Service Agreement, (3) VRA may exercise remedies under the State-Aid Intercept program (set out in the VRA Act) against any participating jurisdiction in the unlikely event that such participating jurisdiction fails to make payments under the Jail Service Agreement resulting in a payment default by the Regional Jail Authority under its bond issued to VRA.
- VRA has indicated that these resolution requirements are pre-conditions to VRA's agreeing to make the loan to the Regional Jail Authority.

RESOLUTION OF THE BOARD OF SUPERVISORS OF CLARKE COUNTY VIRGINIA, CONSENTING TO THE ISSUANCE OF REVENUE OBLIGATIONS BY THE NORTHWESTERN REGIONAL JAIL AUTHORITY PURSUANT TO THE SECOND AMENDED AND RESTATED REGIONAL JAIL AGREEMENT AND OTHER MATTERS IN CONNECTION THEREWITH 2011-\*\*R

- WHEREAS, the Counties of Clarke, Fauquier and Frederick, Virginia, and the City of Winchester, Virginia (collectively, the "Participating Jurisdictions"), have created the Northwestern Regional Jail Authority (the "Authority") pursuant to Chapter 3, Article 3.1 of Title 53.1 (the "Act") of the Code of Virginia, 1950, as amended (the "Code"), for purposes of owning and operating the Northwestern Regional Adult Detention Center (the "Regional Jail");
- **WHEREAS**, the Participating Jurisdictions and the Authority have entered into a Second Amended and Restated Regional Jail Agreement dated as of June 1, 2005 (the "Jail Agreement"), providing for the ownership, operation and financing of the Regional Jail;
- **WHEREAS**, the Authority proposes to undertake certain capital improvements to the Regional Jail, consisting of various energy conservation and performance improvements (the "Project");
- **WHEREAS**, to finance the Project, the Authority proposes to issue an additional series of Obligations (as defined in the Jail Agreement) (the "2011 Obligations") payable from and secured by amounts derived from the below-described Participating Jurisdiction Obligations in accordance with the terms of the Act and the Jail Agreement;
- WHEREAS, pursuant to Sections 4 and 6.F. of the Jail Agreement, the Participating Jurisdictions have each agreed to pay to the Authority amounts sufficient to pay when due its respective share of the principal of and interest on the Obligations, including the 2011 Obligations, based upon the "Allocation Formula" set forth in Section 4.A. of the Jail Agreement as such Allocation Formula may be adjusted pursuant to Section 6.F. in the event the Authority lacks sufficient funds to pay scheduled debt service on the Obligations or certain other costs (the "Participating Jurisdiction Obligations");
- WHEREAS, the Authority has determined it is in the best interest of the Authority to sell the 2011 Obligations to the Virginia Resources Authority ("VRA"); and
- **WHEREAS**, the Authority has requested the consent of the Participating Jurisdictions to the issuance of the 2011 Obligations as provided in Section 3 of the Jail Agreement and VRA has required the Participating Jurisdictions to enter into certain agreements and to acknowledge certain matters as conditions to VRA's purchase of the 2011 Obligations;

#### NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF CLARKE COUNTY **VIRGINIA:**

- 1. The Board approves and consents to the undertaking of the Project, the issuance of the 2011 Obligations by the Authority in a principal amount not to exceed [\$575,000] in accordance with Section 3 of the Jail Agreement, the use of the proceeds of the 2011 Obligations to finance the Project and the costs of issuance related to the 2011 Obligations and the sale of the 2011 Obligations to VRA.
- 2. The Board (i) acknowledges that the 2011 Obligations will be payable from and secured by amounts derived pursuant to the Participating Jurisdiction Obligations, (ii) acknowledges that VRA would not purchase the 2011 Obligations without the security and credit enhancement provided by the Participating Jurisdiction Obligations, (iii) acknowledges that both the 2011 Obligations and the Participating Jurisdiction Obligations are "local obligations" within the meaning of Section 62.1-199 of the Code, (iii) agrees that VRA is a third party beneficiary of the Jail Agreement, and (iv) agrees that the Jail Agreement may not be modified or amended without VRA's prior written consent.
- 3. For purposes of Section 265(b)(3)(C)(iii) of the Internal Revenue Code of 1986, as amended, the County irrevocably agrees that the amount of the 2011 Obligations shall be allocated to each Participating Jurisdiction in the same proportion that each Participating Jurisdiction has been allocated payment responsibilities under the "Allocation Formula," determined for Fiscal year ending June 30, [2012], under the Jail Agreement with respect to the 2011 Obligations.
- 4. The County Administrators hereby authorized and directed to execute and deliver such other documents as are necessary to enable the Authority to finance the costs of the Project, including, but not limited to, any agreements or certificates requested by VRA. Any other County official so designated by the County Administrator is hereby similarly authorized and directed to execute and deliver such other documents.
- 5. All other acts of the officers of the County, heretofore or hereafter taken, that are in conformity with the purposes and intent of this Resolution and in furtherance of the issuance and sale of the 2011 Obligations by the Authority and the undertaking of the Project, are hereby approved, ratified and confirmed.
- 6. Nothing in this Resolution or in the Jail Agreement is or shall be deemed to be a lending of the credit of the County or other Participating Jurisdictions to the Authority or to any holder of any of the 2011 Obligations or to any other person, and nothing herein contained is or shall be deemed to be a pledge of the faith and credit or the taxing power of the County or the other Participating Jurisdictions within the meaning of the Constitution of Virginia.
- 7. This Resolution shall take effect immediately.

#### FY 11 School Board Budget Presentation

School Board Chair Barbara Lee summarized the Schools budget process. She expressed appreciation for the difficulty of this budget year and for the effort of the School Board members and Board of Supervisors. She recapped cuts made in previous years including the

Board of Supervisors Meeting Minutes For March 1, 2011 - Budget Work Session

elimination of six administrative positions, no salary increases for three years, etc., as well as school carry-over funds each year. She opined that the School Board had exhibited good stewardship. Mrs. Lee noted that this would be the fourth year at zero salary increase for school employees and proposed using FY2009 carry over to fund a one-time bonus. She mentioned increased special education program student enrollment necessitating the hire of more teachers, also the need to increase capital funding for technology and transportation. In conclusion, Chair Lee put forth that the School Board had fulfilled its duty to the students and parents and was presenting a budget that protected core academics.

Superintendent Dr. Michael Murphy presented the Clarke County School Board's Approved FY11 Budget. Highlights of his presentation include:

- Difficult to project enrollment.
  - o 66 children left this year with the bulk of those transferring to neighboring jurisdictions.
  - 134 students moved into the division since the beginning of the year.
  - Budget projections down 140 over 18 months.
- Reduced enrollment does not change the need for building maintenance and repair; bus replacement, etc.
- Building needs increased \$50,000
- Special needs programs per pupil expenditure is not much higher and enrollment is increasing.
- Hired 5 new special ed instructors
- The 8.1 RIF of teachers was offset with increase and maximization of staff in other areas.
- Working toward systemic improvement systems cannot be person dependent.
- Technology, textbook replacement and testing are going to be very important with testing moving toward the individual level.
- State funding for textbooks was lost and this item will become a local contribution.
- Staff development is a priority in future.
- Focused on re-purposing staff. Looking differently on programs, facilities and services thoughtful and careful consideration of those staff that can do something else
- Testing and measurement will be critical moving forward.
- Unfunded mandates will be a focus some one has to pay state, locality or staff eliminations.
- Has conducted conversations with School staff about the budget and has requested community input.
- Still waiting on information from the Commonwealth.
- Food service is revenue neutral.

- Custodial and food service evaluations scheduled for this year.
- 1% increase in school operating fund
- High school is ahead of budget and on schedule.
- Debt service and school capital are the big increases.
- Is prepared to do all he can to help employees in this difficult and challenging time. School
  employees are hard working, dedicated and take good care of the children of the county.
- Has been a trying process.

Highlights of comments and questions posed by Supervisor John Staelin include:

- Tom Judge will follow up on Cost to Compete basic aid numbers.
- Large drop in high school enrollment putting the estimated number of students to 675 reinforces the decision to build the new high school for 800.
- Per Tom Judge, it is trending toward larger student population in higher grades than lower grades coming in.
- Dr. Murphy expressed shock regarding the Kindergarten enrollment and will be reducing two teachers at the elementary level. He noted that there is an ebb and flow with enrollment that they try to match with teachers keeping class sizes between 18 to 24
- Per pupil spending projection is \$12,394 a sizeable amount of money and local contribution will be up to 13%, mostly driven by debt service but is also affected by the shrinking enrollment.
- Expenditure detail for capital does not show conversion of HS to elementary
- Dr. Murphy advised that the Schools were working with a consultant from UVA on scheduling and guidance on structuring K5 to maximize facility usage. Will be talking very soon about phase in approach and the need to get the campuses together.
- Dr. Murphy advised that instructor IB training has been funded through the Education Foundation and Clarke County Concerned Citizens group.
- Actual dollar amount of the proposed bonus issue was unknown at the meeting. However, such an offering to School employees will place pressure on the Supervisors to do something for the rest of the County staff that have also gone without raises for the same length of time.
- Dr. Murphy put forth that state employees were getting pay raises this year and he understood the difficulty and the need for equity on this issue.

Highlights of comments and questions posed by Chairman J. Michael Hobert include:

Salary expenses shown are flat lined.

- Requested an update on sales tax number when available.
- Requested total amount being proposed for the school employee bonus.
- The proposed bonus is not budgeted and would come from either the \$100,00 from carry over or any savings that come down to the district from General Assembly actions.
- Elimination of eight positions and addition of 4 higher paid positions resulted in a net savings of \$40,000, which is significantly less in savings than anticipated.
- Dr. Murphy explained that what he was proposing is that the Schools determine what the state is going to do; and then, he would work with School Board to determine how to fund a 1% raise that would be approximately \$130,000. In further justification, he reminded the Board that employees' flex spending benefit had been previously eliminated.
- Tom Judge clarified that this was a bonus not a salary increase.
- Chairman Hobert and Supervisor Staelin noted that the budget reflected a significant increase in local funding, an increase of 6.9% over FY2011.
- Dr. Murphy advised that he was doing his budgeting in the same way as the other Superintendents in the region and many cuts could be made necessary in the coming year. Whether staffing levels were further reduced, class sizes increased, band and football eliminated was all about choices; and with the state thrusting unfunded mandates on the schools, the focus had to be on what can be done today to serve the children today.

Vice Chairman David Weiss added that he understood the sentiment regarding the proposed bonus opining that it was reasonable and the employees deserving; however, he noted that general government employees had also not had raises for during the same time period. He opined that government should not be giving raises to its employees when the private sector cannot give them to their employees. Mr. Weiss noted the long list of needs and expressed appreciation for the hard decisions and the difficult cuts.

Tom Judge provided additional summarization of the proposed School budget.

Supervisor Staelin commented that next budget year would be as bad if not worse than this year. He also noted that there is a huge lag in recovery from the standpoint of real estate,

Dr. Murphy assured that the Schools had not committed to an employee bonus only a conversation. He also noted that the Schools were down about 15 to 16 people with annual cuts in staffing and that such naturally follow a decline in student enrollment. Next school year, hew will begin analyzing outsourcing custodians and technology support.

Supervisor Staelin noted that sharing the Maintenance, Joint Administrative Services, and GIS/IT Technology Departments has resulted in cost savings.

## RESOLUTION RESCINDING INITIATION OF ZONING ORDINANCE TEXT AMENDMENT TA-11-01 2011-03R

WHEREAS, the Clarke County Board of Supervisors initiated an amendment to the County Zoning Ordinance on February 15<sup>th</sup> of 2011 to change:

- Section 3-A-1, Agricultural-Open Space-Conservation (AOC) Zoning District so as to add to the list of Special Uses and Structures: 'Housing for Seasonal Farm Workers' and
- Section 3-C, Supplementary Regulations, so as to add regulations for the use 'Housing for Seasonal Farm Workers' stating:
- "Housing for Seasonal Farm Workers shall be in compliance with all applicable County, State, and Federal regulations (including Occupational Safety and Health Administration (OSHA) regulations)"; and
- Section 9-B, Definitions, so as to change the term 'Labor Camp' to 'Housing for Seasonal Farm Workers'.

WHEREAS, after further deliberation, the Board has determined that consideration of this amendment is not warranted at this time;

WHEREAS, the Board may reconsider the initiation of this amendment at a future date when it would be beneficial to agriculture in the County to provide for this activity;

NOW THEREFORE BE IT RESOLVED THAT the initiation of the proposed amendment to the County Zoning Ordinance, as described below, is rescinded:

- Section 3-A-1, Agricultural-Open Space-Conservation (AOC) Zoning District so as to add to the list of Special Uses and Structures: 'Housing for Seasonal Farm Workers' and,
- Section 3-C, Supplementary Regulations, so as to add regulations for the use 'Housing for Seasonal Farm Workers' stating:
- "Housing for Seasonal Farm Workers shall be in compliance with all applicable County, State, and Federal regulations (including Occupational Safety and Health Administration (OSHA) regulations)."; and,
- Section 9-B, Definitions, so as to change the term 'Labor Camp' to 'Housing for Seasonal Farm Workers'.

Adopted this 15th day of March 2011.

#### Citizens Comment Period

No citizens desired to address the Supervisors.

#### **VDOT**

Jerry Copp – Maintenance and Operations Items and Residency Administrator, and Carter – Six-Year Plan Programs and Enhancement, Recreational Access; with Charlie Monroe – Area Maintenance Superintendent; appeared before the Supervisors to provide the monthly update.

- Maintenance work completed in February:
  - Repaired potholes on various routes;
  - Used State forces to conduct brush removal operations on Routes 625, 612 and the median on Route 7;
  - Used Contract forces to conduct brush removal on various other routes;
  - Performed Boom-Ax operations on route 658;
  - Performed sign replacement through out County;
  - Mobilized for storm clean up.
- Maintenance work planned for March:
  - Continue brush removal on Routes 612, 636 and Primary medians using State forces;
  - Use Contractor forces for brush removal on other various routes;
  - Continue Boom-Ax operations on Route 658;
  - Continue with pothole repairs;
  - Continue sign replacements through out County;
  - Begin grading operations on non-hard surfaced roads;
  - Begin ditching operations on Routes 610,641 and 611.
- Other Projects:
  - Route 636, Mosby Road:
    - Held meeting with County and Town representatives to discuss lighting issues and options.

- Received an encouraging response from Central Office on request to include alternate bids on the project. We will be meeting with Central Office in the next few days to discuss the details and processes for moving forward.
- Route 604 Ebenezer Rd: Still on schedule for a spring/early summer completion.
- Route 723 Town of Boyce Revenue Sharing Project: Status unchanged, still in preliminary design.
- Supervisor Comments and Requests:
  - Supervisor Staelin requested an update on the status of flooded roadways.
     Charlie Monroe indicated that Route 606, Route 621, Route 761 and Swift Shoals Road, all affected by flooding, were now open.
  - O Vice Chairman Weiss reported safety issues with a ditch on Route 608 South Parshall Road, the turn past Hill & Dale and across from Mr. Lawson's house.
  - Supervisor Dunning requested an update on right of way issues on Salem Church Road at a narrow place approximately 3/8<sup>th</sup> mile due north of Route 723. VDOT advised that this would be a construction easement. Further, VDOT did meet with the property owner and reached agreement to move the bank back with the hope of gaining approximately three feet in that area long the shoulder; and while steep, it should hold sod.

#### Route 723 Bridge Closure During Construction

Ed Carter advised that closure will result in savings of more than \$1MM, as well as an additional year of road construction. He further advised that the anticipated project start was October 2014 with public hearing held a year prior to that date.

Supervisor Dunning put forth that from constituent comments he had received VDOT will need to be convince the locals of the necessity of bridge closure, as well as replacement.

Supervisor Staelin moved to adopt the resolution as modified to read:

Resolution in Support of Route 723 [Old Winchester Road] Construction Closure 2011-04R

WHEREAS, Representatives from VDOT have presented information sufficient to show that the bridge located on Route 723 [Old Winchester Road] crossing the Opequon creek is deficient in the structure, and must be replaced or repaired; and,

WHEREAS, VDOT has only presented two options, both for replacing the bridge and none for repairing it. Option one is to close Route 7234 [Old Winchester Road] to traffic, imposing a 6.8 mile detour, but providing an estimated savings of \$500,000 in cost and requiring a

much shorter construction period of 10 months, directly affecting 5 properties; and Option two that would avoid closing Route 723 [Old Winchester Road] by constructing a parallel temporary bridge structure, adding approximately \$500,000 in cost, and requiring approximately two years to complete; impact an additional property in VOF easement for which environmental clearance may add additional delay, time and cost; and,

WHEREAS, the bridge is located in Frederick County, and the costs of replacement of the bridge are to come from funds allocated to Frederick County, and subject to approval granted by the Frederick County Board of Supervisors, said approval for option one having already been granted on February 23, 2011; and

WHEREAS, the Clarke County Board of Supervisors believes the citizens living near and/or using the bridge would prefer to see it repaired.

NOW THEREFORE BE IT RESOLVED that the Clarke County Board of Supervisors would prefer to see the bridge repaired; but, if it is replaced or repaired, the Board of Supervisors concur with the decision of the Frederick County Board of Supervisors in its selection of option one, providing for cost savings, a shorter construction period, and lesser environmental impact to an area now protected in part by an easement granted to the VOF.

Jerry Copp interjected that he understood the Board's concerns regarding repair versus replacement however he needed clarification as to whether VDOT would be allowed to block the road for replacement or repairs. By consensus, the Supervisors assured that the resolution would allow the road to be blocked whether it were repaired or replaced.

Due to the complexity of the changes proposed to the prepared resolution, by consensus, the Board of Supervisors deferred action on the matter until the evening session.

#### Secondary Six-Year Plan

Following discussion, Supervisor Dunning to adopt the proposed public hearing notice and proposed plan and budget:

PH 11-06 Public Hearing Notice Secondary Six-Year Plan for Fiscal Years 2012 through 2017 and the Secondary System Construction Budget for Fiscal Year 2012

The Virginia Department of Transportation and the Board of Supervisors of Clarke County, in accordance with Section 33.1-70.01 of the Code of Virginia, will conduct a joint public hearing in the Main Meeting Room of the Berryville Clarke County Government Center, 2<sup>nd</sup> Floor, 101 Chalmers Court, Berryville, VA at 6:30 pm on April 19, 2011.

The purpose of this public hearing is to receive public comment on the proposed Secondary Six-Year Plan for Fiscal Years 2012 through 2017 in Clarke County, and on the Secondary System Construction Budget for Fiscal Year 2012. Copies of the proposed Plan and Budget may be reviewed at the Edinburg Residency of the Virginia Department of Transportation, located at 14031 Old Valley Pike, Edinburg, Virginia, or at the Clarke County Administrative offices located at 101 Chalmers Court, Suite B, Berryville, VA 22611.

All projects in the Secondary Six-Year Plan that are eligible for federal funds will be included in the Statewide Transportation Improvement Program (STIP) that documents how Virginia will obligate federal transportation funds.

Persons requiring special assistance to attend and participate in this hearing should contact the Virginia Department of Transportation at (1-800-367-7623). Persons wishing to speak at this public hearing should contact the Clarke County Board of Supervisors at 540-955-5175.

- BCCGC Facility Display of Flyers, Brochures, Other Materials PD-121101-08
- BCCGC Exhibits Policy, Agreement and Release F1211-35

Following review, by consensus, the Board approved the Joint Building Committee policy documents and forms with the following suggested modifications:

- Clarify that users in Tiers 1, 2 and 3 are not required to complete the Agreement form or pay the fee for their routine use of the meeting rooms.
- Direct the Committee to include a provision for waiving the insurance requirement when it is determined by the Committee that there is good and sufficient reason to do so.

3/15/2011: The matter was summarized by the Chair.

#### VDOT – Route 723 Bridge Closure

3/7/2011 Summary: VDOT is seeking Board recommendation on the matter of detour versus keeping the road open with a temporary structure. Frederick County has recommended approval of the plan using a detour. Additional information was presented by VDOT at the Work Session. The Board held the matter over for further discussion at the March regular meeting at which time a decision is expected.

**3/15/2011**: This item was reviewed during the VDOT portion of the regular meeting and action deferred to the evening session.

#### VDOT - Secondary Six-Year Plan

3/7/2011 Summary: Ed Carter, VDOT, has supplied samples of a standard VDOT public hearing notice and county resolution of approval for the secondary six-year plan. VDOT shall be present to review and discuss the secondary six-year plan. VDOT presented a draft plan at the Work Session.

Vice Chairman David Weiss moved to approve the Secondary Six-Year Plan as provided by VDOT for discussion at the March regular meeting at which time the final version would be set for public hearing in April. The motion was approved by the following vote:

Labor Camp Text Amendment TA-11-01

The Clarke County Board of Supervisors requests the amendment of the County Zoning Ordinance:

- Section 3-A-1, Agricultural-Open Space-Conservation (AOC) Zoning District, so as to add to the list of Special Uses and Structures: 'Labor Camps' and
- Section 3-C, Supplementary Regulations, so as to add regulations for the use 'Labor Camps' stating: "Labor Camps shall be in compliance with all

Book	20
Page	563

applicable County, State, and Federal regulations (including Occupational Safety and Health Administration (OSHA) standards)."

This amendment would add Labor Camps to AOC Zoning Ordinance Section 3-A-1, Special Uses and Structures. In August of 2008, the Board of Supervisors approved several amendments to the list of uses allowed in the AOC Zoning District. One of these amendments deleted the use 'Labor Camps'. At that time there were three facilities that were identified as having been Labor Camps, but none were operating. Any use that is not allowed in a zoning district that is discontinued for more than two years cannot start operation again unless it conforms to current regulations. The Board was not unanimous in the decision to delete Labor Camps. Board members observed that 'Labor Camps' could facilitate agricultural activities in the County. Board members also observed that the three inactive Labor Camps were probably not in conformance with current state and federal rules. After some discussion, which is generally captured in the August of 2008 meeting minutes (see page 607 in the attached), the Board agreed to delete Labor Camps, but after two years consider reestablishing the use. Such action would require former Labor Camps, as well as new Labor Camps, to conform to contemporary state and federal standards. The proposed text is basically the same as the text that was deleted in 2008. If the Board initiates this amendment, the amendment will go to the Planning Commission on March 4th to set public hearing on April 1st. Action to be taken: Approve a resolution initiating an amendment to the County Zoning Ordinance so as to add 'Labor Camps' to the list of Special Uses and Structures in the AOC Zoning District and add Supplementary Regulations for Labor Camps.

- 2/7/2011 Summary: By consensus, the Board of Supervisors directed staff to add discussion of this item on the February 15, 2011 Regular Meeting Agenda.

### FY2012 Budget Discussion

Tom Judge, with Annette Gilley, reviewed the current FY2012 budget that included the most recent state budget decisions. Highlights of the review included:

- Sheriff's Office realized the greatest reduction in state funding.
- Line of duty will be carried as a separate line item in the Sheriff's and the EMS budgets.
- Senior Center is included in the budget pending signing of the documents and receipt of bids.
- Even though the personal property rate has gone down this year it will remain revenue neutral.
- Real estate tax remains unchanged at .62.

Supervisor Staelin moved to set public hearing for Tuesday, April 5, 2011 at 7:30 pm or as soon thereafter as the matter might be heard on the FY2012 Budget as presented by Tom Judge at the March 15, 2011 meeting. The motion was approved by the following vote:

#### Advertising

Tom Judge stated that the full text of the proposed FY2012 budget and tax rate had to be advertised at least once in the Winchester Star seven days prior to the public hearing. He advised that he was seeking legal opinion from Archana McLoughlin as to whether the full text had to be advertised twice in the local newspaper.

Chairman Hobert and Supervisor Staelin requested that the County pay Clarke Daily News to place a link on their website to the FY2012 budget and tax rate public hearing notice on the Clarke County government website and that this link remain active for a period of ten days prior to the April 5 public hearings.

#### Route 723 Bridge Construction Closure 2011-04R

Following review of the revisions made during the afternoon session, Vice Chairman Weiss moved to adopt Resolution in Support of Route 723 [Old Winchester Road] Construction Closure 2011-04R. The motion was approved by the following vote:

Barbara J. Byrd - Aye A.R. Dunning, Jr. - Absent John R. Staelin - Aye

Resolution in Support of Route 723 [Old Winchester Road] Construction Closure 2011-04R

- WHEREAS, Representatives from VDOT have presented information sufficient to show that the bridge located on Route 723 [Old Winchester Road] crossing the Opequon creek is deficient in the structure, and must be replaced or repaired; and,
- WHEREAS, VDOT has only presented two options, both for replacing the bridge and none for repairing it. Option one is to close Route 7234 [Old Winchester Road] to traffic, imposing a 6.8 mile detour, but providing an estimated savings of \$500,000 in cost and requiring a much shorter construction period of 10 months, directly affecting 5 properties; and Option two that would avoid closing Route 723 [Old Winchester Road] by constructing a parallel temporary bridge structure, adding approximately \$500,000 in cost, and requiring approximately two years to complete; impact an additional property in VOF easement for which environmental clearance may add additional delay, time and cost; and,
- WHEREAS, the bridge is located in Frederick County, and the costs of replacement of the bridge are to come from funds allocated to Frederick County, and subject to approval granted by the Frederick County Board of Supervisors, said approval for option one having already been granted on February 23, 2011; and
- WHEREAS, the Clarke County Board of Supervisors believes the citizens living near and/or using the bridge would prefer to see it repaired.
- NOW THEREFORE BE IT RESOLVED that the Clarke County Board of Supervisors would prefer to see the bridge repaired; but, if it is replaced or repaired, the Board of Supervisors concur with the decision of the Frederick County Board of Supervisors in its selection of option one, providing for cost savings, a shorter construction period, and lesser environmental impact to an area now protected in part by an easement granted to the VOF.

Adopted this 15th day of March, 2011

## Recognition of 20 Years Service with the County of Clarke, Virginia

Chairman Hobert congratulated David Ash on attaining 20 years in service to the County in March 2011.

# PH 11-08 FY2012 Budget Public Hearing

Public Hearing Notice (PH 11-08) Clarke County Proposed Budget For The Fiscal Year Commencing July 1, 2011 And Ending June 30, 2012

The Clarke County Board of Supervisors will hold a public hearing on Tuesday, April 5, 2011 at 7:30 pm, or as soon thereafter as the matter may be heard, in the Berryville Clarke County Government Center Main Meeting Room, 101 Chalmers Court, 2nd Floor, Berryville, VA, to consider the following matter: This budget has been prepared on the basis of the estimates and requests submitted to the Board of Supervisors by the several officers and department heads of this County including the Clarke County Public Schools. Any citizen of the County shall have the right to attend said hearing and

comment on the budget. Written copies of statements made at public hearings are requested but not required. Information relative to the complete budget is available for public inspection in the Office of the Clarke County Administrator during regular working hours, and at www.clarkecounty.gov. This budget is prepared and published for informative and fiscal planning purposes only. The inclusion in the budget of any item does not constitute an obligation or commitment on the part of the Board of Supervisors of this County to appropriate any funds for that item.

Chairman Hobert provided an overview of the evenings topics advising that it would follow the standard format with review by Tom Judge, Director – Joint Administrative Services, question and answer period, budget public hearing, followed by the tax rate public hearing. He informed those present that the law required the Supervisors to delay action on the budget until seven days following public hearing.

Tom Judge reviewed highlights of the FY2012 budget including revenues, debt service, and capital expenditures:

- Decrease in conservation easements grant funding reductions from state and federal sources.
- Increased school capital improvement largely due to additional technology expenditures.
- Increase in volunteer fire companies due to line of duty act an unfunded mandate.
- To balance the budget, funding was reduced where possible.
- Decreased state funding may cause problems later in the year.

Supervisor Staelin, with Tom Judge, reviewed the Recreation Center Capital Improvement Project. Highlights include:

- Three projects combined: Recreation Center repairs, Senior Center addition and Park Office Addition.
- Combining the projects is more cost effective but they can be done separately.
- Recreation Center Repairs: \$207,000 including roof, wall repair and HVAC.
- Park Office Addition: \$390,902.
- Senior Center: \$900,000estimated additional cost.
  - \$300,000 from BOS in Government Capital Projects Fund.
  - SAAA has committed a fair amount of funds and paid for the design.
  - An additional \$400,000 in donations is expected.
  - Half of the anticipated funding is from the sell of a house that the SAAA owns. SAAA places the value at over \$200,000, down from \$250,000; however, actual value may be below \$200,000.
  - When not being used by the seniors, the Senior Center addition will be available for use by other groups.

Following the budget summary by Tom Judge, Chairman Hobert called for any questions, clarifications, and/or document definitions from the audience. There being no questions, at 7:41 pm, Chairman Hobert opened the public comment portion of the public hearing.

Martha Myer, White Post resident and Chair of the Capital Campaign Committee for Senior Center: spoke in support of the Senior Center project. Mrs. Myer put forth that the Committee had been working hard for the past five and half years on the fundraising campaign stating that well over four hundred individuals had contributed thus far. She also recognized the countless others that have contributed to fundraising events including the bar-be-que and art show. She opined that the area seniors were anxious to see the Center become a reality. In conclusion, Mrs. Myers thanked the Supervisors for recognizing the benefit of the active living center to the whole community.

Chairman Hobert thanked Mrs. Myer and the members of the Capital Campaign Committee for their labor on behalf of the Senior Center.

Daniel Sheetz, Berryville resident and Chair of the Clarke County Parks and Recreation Advisory Board: spoke in support of the Senior Center project and the shared use by Parks and Recreation. He stated that the current house in which Parks and Recreation offices are located had serviced its purpose opining that the old house was a maintenance nightmare and had various HVAC, as well as pest control issues. He asked to recognize the outstanding performance of Lisa Cook, Director Parks and Recreation, and praised Park staff for their excellent service. Mr. Sheetz also addressed the maintenance needs of the Recreation Center and commended the Board for combining this project with the Senior Center. He concluded by stating that this would be good partnership that would bring together members of the community from infants to seniors and provide Park staff with a work location that would allow them to be even more efficient.

Wilson Kirby, Berryville resident and Mayor – Town of Berryville: spoke in support of the Senior Center project. Mayor Kirby stated that the current Senior Center was a great place for seniors to gather and the level of management was outstanding. He also praised the volunteers for their time and effort. He asked the Supervisors to give the seniors what they deserved, a new facility that would better meet the needs of local seniors, as well as a facility that would allow them to better compete in the Senior Olympics, an event where County seniors have won in several categories. He concluded by expressing his appreciation for the Supervisors focus on the Senior Center and encouraging them to move forward with the project.

<u>Cindy Palmer</u>, Frederick County resident and Vice President Shenandoah Area Agency on Aging, Inc.: spoke in support of the Senior Center project. Mrs. Palmer thanked the Board of Supervisors for including the new senior center in the FY2012 budget. She also thanked the members of the Capital Campaign Committee, the donors, as well as Clarke County Parks and Recreation staff.

Bonnie Dodson, Berryville resident and Director Clarke County Senior Center: spoke in support of the Senior Center project that was to be built adjacent to the Park building in Chet Hobert Park. She stated they had been actively raising funds for this project for five and half years and had received good support from the Board of Supervisors, local businesses, organizations, as well as individuals for this worth-while project: She opined that the Senior Center would benefit members of the community of all ages. Mrs. Dodson informed the Board that last year the current Senior Center had served over 10,000 meals and had provided services to benefit seniors, such as transportation, insurance counseling, and other much needed services, that allowed seniors to remain in their homes as long as possible. She concluded by expressing her appreciation for the cooperative effort of the entire community and encouraging the Board of Supervisors to move forward.

Supervisor Dunning said that he had heard good things about the senior program from citizens throughout the County. He stated that Mrs. Dodson and her staff were doing a great job and their efforts were appreciated.

Supervisor Weiss put forth that the money for the Senior Center came as a result of long-term planning being set aside over a period of years. He opined that partnership was a good deal for the community that would allow the County to meet several needs and, done together, at a reduced cost. He did express some hesitation with regard to the amount SAAA anticipated for the sell of a donated house. He complimented County staff and the Finance Committee on a job well done.

Supervisor Byrd expressed support for the Senior Center project. She noted that the project also included much needed offices for Parks and Recreation staff. She opined that repairs to the Ramsburg House had been a drain on resources and how to proceed with regard to this structure must be carefully considered.

Supervisor Staelin stated that he was supportive of the Senior Center project. He also commented on school funding noting that there was over \$600,000 in additional funding of which \$500,000 was for debt services for school construction projects. Mr. Staelin put forward that the Senior Center project had been crowed out over the years due to limited funding and competing needs. He opined that there was good news for debt service for the school construction projects would soon cap out and start declining.

Supervisor Dunning commended School Board members Barbara Lee, Chair, and Robina Rich Bouffault on the excellent progress of the high school construction project that remained on budget and on time.

Chairman Hobert stated that Clarke County was a community that knew how to build partnerships noting that the Berryville Clarke County Government Center was a partnership with the Town and the Senior Center was a partnership with the Shenandoah Agency on Aging. He opined that such partnerships benefited everyone in the community. He further recognized that there had been sacrifice and expressed his hope that the County and SAAA would continue to work together.

Supervisor Byrd thanked Tom Judge, David Ash, John Staelin and Michael Hobert for a great job in difficult economic times.

There being no additional persons desiring to address the Supervisors on the matter of the FY2012 Budget, at 8:08 pm, **Supervisor Dunning moved to close the public hearing.** The motion was approved by the following vote:

#### Staff Present

David Ash, Annette Gilley, Tom Judge, Lora Walburn

#### Others Present

Jeanne Abigail Custis Marcy, Ed Leonard, Becky Layne

#### Call to Order

Chairman Hobert called the Board of Supervisors meeting to order at 5:30 p.m.

# FY2012 Budget Resolution, Calendar-Year 2011 Tax Rate Resolution and FY2012 Appropriations Resolution

Tom Judge reviewed changes to the advertised budget including:

- Transferred \$6,200 for primary from Registrar to the Electoral Board.
- Comp Board provided funding for a position that was not properly reflected. \$ 4,151.
- Eliminate vacant position in the Office of the Commissioner of the Revenue. \$41,436
- Revised deficit of Net of Pay as You Go (\$219,686)
- Noting format change to resolutions Item 4 of the Appropriations Resolution reflects the transition of Joint Administrative Services from the fiscal agent for construction to the fiscal agent for Berryville Clarke County Government Center. This action allows for close out of the capital project that is nearly complete.

# Supervisor Dunning moved to adopt the FY2012 Budget Resolution. The motion was approved by the following vote:

J. Michael Hobert, Chair - Aye
David S. Weiss, Vice Chair - Aye
Barbara J. Byrd - Aye
A.R. Dunning, Jr. - Aye
John R. Staelin - Aye

- Agreement Between Clarke County and Shenandoah Farms Sanitary District

#### **MEMORANDUM**

TO: Board of Supervisors, David Ash

FROM: Alison Teetor DATE: April 12, 2011

SUBJECT: Request for Easement Purchase approval

The Clarke County Easement Authority has approved the following easements for purchase. The Authority requests the Board of Supervisors to authorize the Chairman of the Board of Supervisors to execute deeds, easements, and other documents necessary to the transactions.

#### **DUR PURCHASE**

Karel Wennick: There are two parcels for consideration. The properties are located in Blue Ridge Downs subdivision on the east side of Kennel Road at the end of Burch Lane. Tax Map# 30-((1))-11 is 5.06 acres of vacant land with 1 DUR, the property resource score is 40.75. The parcel adjoins a conservation easement and the owner would like to retire the DUR and merge the parcel with his other property. Tax Map# 30-((A))-12 is 11.09 acres has an existing pre-1980 house and an extra DUR. The applicant would retire the remaining DUR. The property resource score for this property is 37.97. The properties meet the easement criteria by scoring over 35 and retiring a DUR. The smaller parcel is also adjacent to an existing easement.

Purchase offer \$40,000, County - \$20,000, VDACS - \$20,000

<u>Arnold Rexroad</u>: The parcel is located on the east side of Auburn Road 3/10ths of a mile north of the intersection with Castleman Road. The parcel is 13.02 has an existing house which was built in 1997. The applicant would like to retire the remaining DUR. The property resource score is 39.14, the parcel is not over 40 acres and is not adjacent to an existing easement.

Purchase offer \$20,000, County - \$10,000, VDACS - \$10,000

<u>Lawrence and Jane Wood:</u> There are two parcels for consideration. The properties are located on the west side of Lockes Mill Road approximately 1.4 miles east of the intersection of Parshall Road. The application includes Tax Map# 24-((A))-34D, 40.72 acres, with an existing house and no remaining DUR's. This parcel had a property resource score of 38.85. The second parcel is Morgan Island, Tax Map# 24-((A))-34C, 5 acres, and does have a DUR. The property resource score is 48.69. The applicants would like to retire the DUR on the island and place both properties in easement. The parcels front on the Shenandoah River.

Purchase offer \$20,000, County - \$10,000, VDACS - \$10,000

<u>Lawrence Buckner:</u> The parcel is located on the east side of Howellsville Road (Route 658) approximately ¾ miles south of Route 50. The parcel is long and narrow, consisting of 14.78 acres of wooded vacant land with 1 DUR. In reviewing the parcel 3 out of 4 criteria have

been met. The parcel is adjacent to the Idlewild Easement. The remaining DUR will be retired and the property resource score was 53.14. Approximately half of the property has slopes over 25% and Mr. Buckner has owned it since 1970. The parcel has 225 feet of frontage on Howellsville Road, a State Scenic Byway and is visible from the River.

Purchase offer \$20,000, County - \$10,000, VDACS - \$10,000

Dear Bob:

Thank you for sending me the March 14, 2011 version of the Agreement. I apologize for taking so long to get back to you. Your version of the Agreement looks fine as it is, and it needs to go to both your Board and my Board for approval. I will go ahead and put it on my Board's April 19<sup>th</sup> agenda for approval and signature. Please let me know when it will go to your Board, and whether you want anyone from Warren County to attend to help explain this.

Thank you again for your help in this.

Sincerely,

## AGREEMENT TO ALLOW OPERATION AND MAINTENANCE

This Agreement to Allow Operation and Maintenance ("Agreement") made and entered into this \_\_\_\_\_ day of \_\_\_\_\_\_, 2011 by and between the SHENANDOAH FARMS SANITARY DISTRICT, a political subdivision of the Commonwealth of Virginia acting by and through the Board of Supervisors of Warren County, Virginia, its governing body (hereinafter the "Sanitary District") and the BOARD OF SUPERVISORS OF CLARKE COUNTY, VIRGINIA, a political subdivision of the Commonwealth of Virginia.

#### WITNESSETH:

WHEREAS, the Sanitary District was created and its boundaries defined by entry of orders of the Circuit Court of Warren County, Virginia on June 19, 1996 and March 5, 1997, and by Virginia law the Board of Supervisors of Warren County, Virginia serves as the governing body of the Sanitary District; and

WHEREAS, the Sanitary District encompasses certain defined portions of the Shenandoah Farms Subdivision within Warren County, including the roads and common properties and recreational facilities therein; and

WHEREAS, the Shenandoah Farms Subdivision as a whole also includes parcels and properties within Clarke County; and

WHEREAS, several such parcels within Clarke County, located generally at 6401 Howellsville Road, serve as the community center, meeting hall, and business office of the Property Owners of Shenandoah Farms (POSF), a property owners association organized under the laws of Virginia, together with an outdoor amphitheater, a playground and river access lots (herein collectively referred to as "Community Center"); and

WHEREAS, the Sanitary District has recently assumed the responsibility for the maintenance of the roads and common properties of the Sanitary District, and also desires to assume responsibility for the operation and maintenance of the Community Center, located in Clarke County, for use as a sub-station or office for the Sanitary District for the location within its parking lot of vehicles, equipment, and supplies appropriate for road maintenance and snow removal, and for recreational use; and

WHEREAS, Section 21-118.4 of the Code of Virginia does not permit the expenditure of public funds of the Sanitary District for maintenance of a community center or recreational facility located outside the boundaries of the Sanitary District unless the Sanitary District enters into an Agreement with the political subdivision in which the facility is located, pursuant to Section 15.2-1300 of the Code of Virginia; and

WHEREAS, the Sanitary District and Clarke County now desire to enter into such an Agreement to allow the Sanitary District to expend its public funds for the maintenance and operation of the Community Center.

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) and the mutual covenants contained herein, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

- 1. Clarke County agrees that the Sanitary District may operate and maintain the Community Center for the purposes of use as a sub-station or office for the Sanitary District; for the location of vehicles, equipment, and supplies; for recreational use; and for any other lawful and appropriate use by the Sanitary District.
- 2. The purpose of this Agreement is for Clarke County to agree for the Sanitary District to operate and maintain the Community Center, located in Clarke County, and by this Agreement Clarke County does not assume any responsibility, financial or otherwise, for the operation and/or maintenance of the Community Center, or any liability related thereto.
  - 3. The duration of this Agreement is perpetual.
- 4. Clarke County may terminate this Agreement by ninety (90) days written notice to the Sanitary District.

Re: Special Event Permit Application for Rock N River June 4, 2011

Pursuant to review of the above-referenced event application, it was noted that the number of previously-approved event days for this location exceeded the five or fewer days allowable for small special event application. Subsequent to legal review, it has been determined that this is a medium special event [150 to 499 persons attending with six [6] or more event days in a calendar year]; and as such, shall be subject to review by the Clarke County Board of Supervisors.

For this matter to be included on the Clarke County Board of Supervisors Agenda for April 19, 2011, the following information must be received in the Clarke County Administrator's Office [address below] no later than Tuesday, April 12, 2011:

- Responses, where available, from all notified parties:

Mr. Michael Hobert, Chairman Clarke County Board of Supervisors 101 Chalmers Court, Suite B Berryville, Va. 22611

7 April 2011

Dear Mr. Hobert,

Today, I met with David Boyce and his staff to discuss the proposed Rock N River Festival, planned for 4 June 2011.

After some discussion it became clear to me that they do not have a good estimate of the crowd size since this is a completely new venture for them. I believe their estimate of 475 people is unrealistically low. With that in mind, we have agreed that Long Branch will keep me advised of the number of advance tickets that are sold and the level of interest generated by their advertizing. That will allow the Fire Company to more accurately gauge the staffing and equipment that will be required to adequately provide fire and emergency medical protection for this event.

I think we should anticipate two or three thousand people attending this event and the Fire Company will prepare for that eventuality. Even at that level, it will be well within our capability to cover this event.

Assuming ongoing cooperation from the staff at Long Branch, I am sure we will have no problems providing the necessary coverage.

Sincerely,

Bryan H. Conrad, Chief Boyce Vol. Fire Co. 7 South Greenway Ave. Boyce, Va. 22620

Dear Ms. Anderson:

I have received your letter requesting review of the plans for the special event listed as Rock N River Festival. I have requested the full event package from the Clarke County Administrator's office in order to make a complete review. I have attached guidelines for what information is needed by the Clarke County Building Department in order to complete a review for special events. Normally we receive the complete permit package from the Clarke County Administrator's office and we respond directly to his office. Hopefully this will assist you in future events at Historic Long Branch.

The Clarke County Building Department has been involved in many events, both small and large, at Historic Long Branch and has always had good working relations with your staff. We are looking forward to continuing to provide support of your programs.

Sincerely,

Gary R. Pope, Building Official

## **Building Department Guidelines for Special Events Permits:**

The following are issues that need to be described or addressed on special events permit applications:

- Tents Any tent greater than 900 square feet in size will require a Building Permit and inspections prior to the event. Inspection shall be arranged to be done during normal business hours Monday through Friday at least the day prior to the event. The event application should provide diagrams or layouts of the location of the tent(s). All tents shall be fire retardant treated with the appropriate approval label on the tent and shall have a mounted and posted fire extinguisher (5 lb. ABC min.) located in each tent. If the tent is enclosed, it shall have two (2) forms of exit that are labeled and illuminated if the event occurs after daylight. If the event will occur after daylight hours, emergency lighting shall be provided.
- Electrical Systems Any temporary or portable electrical distribution systems shall require an Electrical Permit and inspections prior to the event. All portable or temporary systems shall be Ground Fault Interrupter Circuit (GFIC) protected. Trailer mounted generators shall be provided with ground rods and grounding conductors appropriate for the generator output requirements. All equipment shall be listed and labeled for the application (weather resistant). No portable generators are allowed inside any tents or trailers where persons would normally enter. A description of the electrical distribution system shall be provided with the special event application.
- Gas Appliances All gas appliances including cooking and heating appliances shall be inspected including leak tested prior to the event. No gas cylinders will be allowed inside tents or occupied trailers or structures. All gas cylinders shall be secured in areas not normally used by the public. All gas equipment shall be in good working order and shall meet requirements of the Virginia Fuel Gas Code.
- **Lighting** Information pertaining to the temporary lighting systems shall be provided with the special event application including output wattage and generation system. Lighting system shall be located not to project excessive lighting off of the premises and not to blind any moving traffic on or of the event property. Any lighting pointing to the property boundary shall be shielded and downcast.
- Inspections Arrangement for inspections shall be scheduled to occur prior to opening of the event during normal business hours between Monday and Friday. Required inspections shall be scheduled at least twenty-four (24) hours prior to the expected inspection. If special times and arrangements are required, prior approval will need to be arranged with the Clarke County Building Department.

RE: Rock N River Festival

Long Branch Historic House & Farm

Saturday June 4, 2011.

Dear Supervisors.

As in the past, the Health Department will regulate temporary foodservice, sewer, water, and trash removal for the above-referenced festival in Clarke County.

I have reviewed the Temporary Event Coordinator's Packet from Long Branch Director of Events, Angela Anderson, online as part of their application to the County. The Coordinator's checklist is acceptable to the Health Department.

We ask that all vendors submit an application for Temporary Food Service Permits at least 30 days prior to the event.

Portable toilets will be permitted in the number of 1 for every 100 people who attend. The number of toilets would correspond to the maximum number of people who would be there *at any one time*, rather than the total number of people expected to attend the event. You may want to amend your figures to reflect this. In addition, 1 handicapped toilet for every 500 people would be needed.

\*Also, a good water sample result (a "presence/absence" test for total coliform bacteria) must be provided to the Health Department prior to any event, when the temporary food stands are hooking up to the Long Branch water supply. The sample can be a presence/absence test for bacteria. One sample per year is sufficient for all the various festivals.

Call if you have any questions.

Good afternoon, Angie,

As you can see, I am letting Lora Walburn know that you and I have corresponded, and suspect that this e-mail will meet the requirements of the county. Your plans for the June 4th, 2011 event planned for Long Branch fulfill all of the requirements that this office has jurisdiction over, specifically security. I note that you have worked with law-enforcement in much the same way as the "tried and true" model of previous festivals at Long Branch. If either you or Ms. Walburn require any additional please let me know.

Subject: June Festival

Good afternoon Mr. Lichliter and Mr. Roper. I am writing with hopes that either one of you may be able to draft a letter in response to my request for assistance with the June 4<sup>th</sup>, Rock N River Festival held at Long Branch. Ms. Lora Walborn with the Clarke County Board of Supervisors has requested that I submit something in writing stating that I have discussed the plans of the Festival with your office and your seal of approval J I apologize for any inconvenience this may cause and please don't hesitate in calling or writing me back should you have any additional questions or concerns. I am very much looking forward to working with your office and deputies again this year in June and again in October. It is always a breath of fresh air working with individuals who are dependable and just a delight to work with.

Have a great day!

RECEIVED MAR - 4 2011

February 24, 2011

Mr. David Ash Clerk to the Clarke County Board of Supervisors 102 N. Church St. Berryville, VA 22611

Dear Mr. Ash:

I have enclosed the Special Event Permit application for the First Annual 2011 Rock N River Festival held at **LONG BRANCH** Historic House and Farm. The application includes the Permission for Entry form, a current copy of our insurance certificate, Festival grounds and traffic maps, and copies of letters sent to applicable emergency services.

In order to ensure receipt of our application to your office for immediate review, I have not included the responses from the local emergency offices. I have personally contacted all local emergency offices notifying them of our Festival plans and mailed letters requesting their assistance with this first year event. As soon as I receive their responses, I will send a copy to your office.

If you have any questions or comments, please feel free to contact me at 540.837.1856.

Sincerely,

Angela Anderson Director of Events

Mr. Arthur R. Boyce, III Commonwealth of Virginia Department of Transportation P.O. Box 308 Luray, VA 22835

Dear Mr. Boyce:

LONG BRANCH Historic House & Farm is proud to announce that we will be hosting a new event, Rock N River Festival. The festival will be a single-day Music Festival and will take place on the North lawns of LONG BRANCH. The event will benefit two additional non-profit organizations including, "The Downstream Project" and "Friends of the Shenandoah River."

LONG BRANCH Historic House & Farm will host the Rock N River Festival, Saturday, June 4, 2011 and in accordance with local regulations, this letter is to officially "notify" and request services.

We request traffic control assistance and equipment similar to services provided during the Balloon Festival in October. We estimate the event will draw a crowd of approximately 475 people for the first year. However, with that being said at this time it is difficult to predict how many people will attend this first year event.

I have enclosed the LUP-A and LUP-SP VDOT requires. We request and greatly appreciate your written confirmation as soon as possible in order for our application to be approved by the Clarke County Board Supervisors.

We thank you for your continuous support of LONG BRANCH. Please feel free to contact me at 540.837.1856 should you have any questions or require additional information. I look forward to your reply.

Sincerely,

## NOTICE OF PERMITTEE LIABILITY Permittee Agreement for Land Use Permit Issuance

I the undersigned applicant hereby acknowledge that I am fully cognizant of all of the following requirements associated with the issuance of a VDOT Land Use Fermit.

Applicant Name. Lor	12 DIAUCH/THE	marry L. Isaacs	roundation, i	<u>nc.</u>	
Applicant Signature:	I AM ZAKA	- Amotenta	400°.		
			· <del>· · · · · · · · · · · · · · · · · · </del>		

Project Name: 1st Annual Rock N River Festival held on Saturday, June 4th, 2011

Route Number: <u>Between Route 50 and Route 624/626</u> County: <u>Clarke</u> Residency:

Any of the following provisions that may apply, shall apply:

- Permittee acceptance and use of a Virginia Department of Transportation (VDOT) Land Use Permit is prima facie evidence that the permittee has read and is fully cognizant of all required permit provisions, applicable traffic control plans and associated construction standards to be employed. ALL applicants to whom permits are issued shall at all times indemnify and save harmless the Commonwealth Transportation Board, members of the Board, the Commonwealth, and all Commonwealth employees, agents, and officers, from responsibility, damage, or liability arising from the exercise of the privileges granted in such permit to the extent allowed by law.
- The permittee agrees to secure and carry insurance against liability for personal injury and property damage that may arise from the work performed under permit and/or from the operation of permitted activity-up to one million dollars (\$1,000,000) each occurrence to protect the *Board* members and the Department's agents or employees; seventy-five thousand dollars (\$75,000) each occurrence to protect the *Board*, the *Department*, or the *Commonwealth* in event of suit.
- 3. The permittee assumes full responsibility for any and all (downstream flooding, erosion, siltation, etc.) damages that may occur as a result of the work performed under this permit. Furthermore, the *Department* will in no way be responsible for any damage to the facility being placed as a result of future maintenance or construction activities performed by the *Department*.
- 4. The permittee agrees to move, remove, alter, or change any installation that interferes with the ultimate construction of the highway in alignment or grade at **NO** cost to the *Department* unless otherwise stipulated and agreed to by the *Department*.
- 5. The permittee shall immediately correct any situation that may arise as a result of these activities that the District Administrator's designee deems hazardous to the traveling public.
- 6. Any and all highway signs, right-of-way markers, etc., disturbed as a result of work performed under this permit shall be accurately reset by the permittee immediately following the work in the vicinity of the disturbed facility. The services of a certified land surveyor with experience in route surveying may be required.

- 7. It shall be the permittee's responsibility to obtain ANY and ALL necessary permits that may be required by any other government agencies, i.e., U.S. Army Corp. of Engineers, Department of Environmental Quality, Department of Conservation and Recreation, etc.
- 8. A copy of the VDOT Land Use Permit shall be maintained at the work site at all times.

- 9. The permittee shall notify the <u>local VDOT</u> Residency Office or Permit Office at least <u>48 hours</u> prior to commencement of **ANY** work requiring inspection and/or testing as stipulated in VDOT's Road and Bridge Standards (current edition) and VDOT's Road and Bridge Specifications (current edition). Failure to carry out this requirement may result in permit revocation.
- 10. The permittee is required to notify the <u>local VDOT</u> Residency Office or Permit Office, and the District Traffic Engineering Section when planned excavation is within 1,000 feet of a signalized intersection. Failure to carry out this requirement may result in permit revocation.
- 11. The permittee shall to notify "Miss Utility" (or each operator of an underground utility where no notification center exists) of ANY planned excavation within state maintained right-of-way. This notification must be provided at least 48 hours (excluding weekends and holidays) in advance of commencing with ANY planned excavation within state maintained right-of-way. Failure to carry out this requirement may result in permit revocation.
- 12. It is the duty of the District Administrator's designee to keep all roads maintained in a safe and travelable condition at ALL times. Therefore, any permit may be <u>denied</u>, <u>revoked</u> or <u>suspended</u> when in the opinion of the District Administrator's designee, the safety, use or maintenance of the highway so requires.
- 13. The permittee shall at **ALL** times give strict attention to the safety and rights of the traveling public, their employees and themselves. VDOT <u>reserves the right to stop work at anytime</u> due to safety problems and/or non-compliance with the terms of the permit. The **Department** may, at its discretion, complete any of the work covered in the permit or restore the right-of-way to the Department's standards and bill the permittee for the actual cost of such work. The permittee may be required to move, alter, change or remove from state maintained right-of-way, in a satisfactory manner, any installation made under this permit.
- 14. ALL work authorized under the auspices of a VDOT land use permit shall be subject to VDOT's direction and be in accordance with VDOT's *Road and Bridge Standards* (current edition) and VDOT's *Road and Bridge Specifications* (current edition).
- 15. Design changes, specified material changes and/or field changes from the approved plans shall be submitted to the appropriate District Administrator's designee for review and approval prior to proceeding with the proposed changes. This submittal shall include written justification, supplemental documentation and/or engineering calculations that support the requested changes.
- 16. The permittee shall meet or exceed the existing pavement design and typical section when constructing pavement widening adjacent to an existing state maintained roadway. The proposed pavement design and typical section shall be approved by the District Administrator's designee prior to commencing with any work within state maintained right-of-way. ALL pavement widening shall be in accordance with VDOT Road and Bridge Standard 303.02.

#### **Traffic Control and Safety**

17. In accordance with the Virginia Department of Transportation (VDOT) Road and Bridge Specification, Special Provision 105.14, beginning July 1, 2009, all activities performed under the auspices of a VDOT Land Use Permit involving the installation, maintenance and removal of work zone traffic control devices must have at least one (1) person on-site who, at a minimum, is verified by VDOT in Basic Work Zone Traffic Control. A person verified by VDOT in Intermediate Work Zone Traffic Control must be on-site to provide supervision during work zone adjustments or changes to traffic control due to field conditions. These persons must have their verification card with them while on the work site. The permittee shall be exempt from this requirement if

James Store Mar Bearing .

the permitted activity does not involve the installation, maintenance and removal of work zone traffic control devices.

- 18. Traffic shall **NOT** be blocked or re-routed (detoured) without <u>written</u> permission from the District Administrator's designee.
- 19. During construction, the permittee shall furnish **ALL** necessary signs, flag persons and other devices (lights, barricades, etc.) providing protection for traffic and workers in accordance with the *Virginia Work Area Protection Manual* or as directed by the District Administrator's designee.
- 20. ALL signs shall be in accordance with the current edition of the *Manual of Uniform Traffic Control Devices* (MUTCD).
- 21. Trained, certified flag persons shall be provided in sufficient number and locations as necessary for control and protection of vehicular and pedestrian traffic in accordance with the MUTCD. The flag person shall carry their certification card while performing flagging duties within state maintained right-of-way. Any flag person found not in possession of his/her certification card shall be removed from the flagging site and the District Administrator's designee will suspend all permitted activities requiring flag persons. Furthermore, flag persons performing duties improperly shall have their certification revoked.

#### Authorized Hours and Days of Work

- 22. Normal hours for work under the authority of a permit single use or district-wide are from 9:00 a.m. to 3:30 p.m. for all highways classified as arterial or collector. All highways classified as local roads will have unrestricted work hours and days. The classifications for all state maintained highways can be found at the following link: <a href="http://www.virginiadot.org/projects/fxn\_class/maps.asp">http://www.virginiadot.org/projects/fxn\_class/maps.asp</a>
- 23. Permitted non-emergency work will not be allowed on arterial and collector highway classifications from noon on the preceding weekday through the following state observed holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day. If the observed holiday falls on a Monday, the permit will not be valid from noon on the preceding Friday through noon on Tuesday.
- 24. The district administrator's designee may establish alternate time restrictions in normal working hours for single use permits.
- 25. The central office permit manager may establish alternate time restrictions in normal working hours for district-wide permits.

#### Excavation

- 26. All excavation within state maintained rights-of-way shall comply with OSHA Technical Manual, Chapter 2, Title Excavation: Hazard Recognition in Trenching and Shoring. A professional engineer shall certify all shoring and/or trench boxes.
- 27. No excavated material is to be placed or tracked on the pavement without <u>written</u> permission from the District Administrator's designee. When so authorized, the pavement shall be satisfactorily cleaned by a VDOT approved method. No cleated (track-mounted) equipment is to be used on the pavement without properly protecting the pavement from damage.

#### **Inspection and Restoration**

- 28. Inspection and testing of all backfill and pavement sections shall be performed in accordance with all applicable sections of VDOT's *Road and Bridge Specifications* (current edition).
- 29. If during or before construction it is deemed necessary for the <u>local</u> VDOT Residency Office or Permit Office to assign an inspector to the project, the permittee shall pay the *Department* an additional inspection fee in an amount that will cover the salary, expense allowance, and mileage allowance for the inspection(s) assigned by

Sample of the Control of

the *Department* for handling work covered by this permit. Said inspection fee shall be paid promptly each month on invoices rendered by the *Department*.

and the second of the second

- 30. It shall be the decision of the District Administrator's designee to assign an inspector to monitor the placement of all backfill and pavement restoration activities.
- 31. The absence of a VDOT inspector does **NOT** in any way relieve the permittee of their responsibility to perform the work in accordance with the approved plans, provisions of the attached permit, VDOT's **Road and Bridge Standards** (current edition) and VDOT's **Road and Bridge Specifications** (current edition).
- 32. The permittee shall be responsible for any settlement of all backfill or pavement restoration necessitated by authorized excavation activities for a period of two (2) years after the completion date of permit, and for the continuing maintenance of the facilities placed within the highway right-of-way. A one (1) year restoration warranty period may be considered, provided the permittee adheres to the following criteria:
  - The permittee retains the services of a professional engineer (or certified technician under the direction of the professional engineer) to observe the placement of all backfill and pavement restoration.
  - The professional engineer (or certified technician under the direction of the professional engineer) performs any required inspection and testing in accordance with all applicable sections of VDOT's Road and Bridge Specifications (see 24VAC30-151-760).
  - The professional engineer submits all testing reports for review and approval, and provides written certification that all restoration procedures have been completed in accordance with all applicable sections of VDOT's Road and Bridge Specifications prior to completion of the work authorized by the permit.
- 33. The excavated area to be backfilled shall be made as dry as practicable at the time of backfill placement by implementation of a VDOT approved dewatering method.
- 34. The edges of all authorized pavement cuts shall be trimmed to neat straight lines and a tack coat shall be applied in accordance with current VDOT's Road and Bridge Specifications.
- 35. Daily trench excavation within pavement sections shall not exceed 500 feet in length and the trench shall be temporarily backfilled flush with the adjacent pavement surface with Type I, Size 21A or 21B aggregate until permanent pavement restoration. If the application of the bituminous courses is delayed due to adverse weather conditions, the contractor shall backfill the trench with a bituminous asphalt base course (BM 25.0) that is acceptable to VDOT until such time as installation of the underground facility is completed and the appropriate pavement restoration can occur.
- 36. Whenever existing pavement is permitted to be cut, not over one-half of the roadway width shall be disturbed at one time and the first open cut trench section shall be satisfactorily restored to allow for the passage of traffic prior to the second half of the roadway surface can be disturbed.
- 37. The surface pavement restoration shall extend a minimum of 25' on each side of the trench centerline for open cuts perpendicular to the roadway alignment (See LUP-OCPR for details). The extent of pavement restoration for all other pavement cuts shall be determined by the District Administrator's designee.
- 38. The contractor shall complete all pavement restoration within 10 calendar days of completion of installation of the underground facility.
- 39. ALL crossing of existing pavement shall be bored, pushed or jacked an appropriate distance from the edge-of-pavement so as not to impede the normal flow of traffic or damage the existing pavement section. Existing pavement shall NOT be cut unless approved by the District Administrator's designee and then only if justifiable circumstances prevail or proof is shown that a thorough attempt has been made to push, bore or jack.

40. Where the pavement is disturbed or deemed weakened in its entirety or such portions as deemed desirable by the Department, the pavement shall be restored or replaced in a manner that is satisfactory to the District Administrator's designee.

#### **Environmental**

entropy sic

- 41. In accordance with the Virginia Department of Transportation (VDOT) Road and Bridge Specification § 107.14 (a), Special Provision 107D, all contractors performing regulated land disturbing activities within VDOT right-of-way must have at least one (1) employee that has successfully completed the VDOT Erosion & Sediment Control Contractor Certification training. This person shall be on site during all land disturbance activities and will be responsible for insuring compliance with all applicable local, state and federal erosion and sediment control regulations during land disturbance activities. This person must have their certification card with them while on the project site. The land use permit will be suspended if proof of certification cannot be provided. Regulated land disturbing activities are defined as those activities that disturb 2,500 square feet or greater in Tidewater, Virginia (as defined in § 10.1-2101 of the Code of Virginia) or 10,000 square feet or greater in all other areas of the State. The Department will require evidence of this certification with any Land Use Permit application that involves utility and/or commercial right of way improvement. Improper installation, maintenance and removal of erosion and sediment control devices may result in revocation of VDOT Erosion & Sediment Control Contractor Certification.
- 42. The permittee is responsible for pursuing and obtaining any and all environmental permits which may be required to pursue the proposed activity prior to any work beginning within state maintained right-of-way.
- 43. In the event hazardous materials or underground storage tanks are encountered within state maintained right-of-way during authorized activities, the permittee shall suspend all work immediately then notify the <u>local VDOT</u> Residency Office or Permit Office and other responsible parties, i.e., the local fire department, emergency services, *Department of Environmental Quality*, etc. The permittee is responsible for coordination and completion of all required remediation necessary to complete the permitted activities within the state maintained right-of-way. The permittee shall provide evidence of such compliance to the <u>local VDOT</u> Residency Office or Permit Office prior to recommencement of permitted activities.
- 44. In the event cultural resources, archaeological, paleontological, and/or rare minerals are encountered within the right of way during authorized activities, the permittee shall suspend all work immediately then notify the local VDOT Residency Office or Permit Office and the proper state authority charged with the responsibility for investigation and evaluation of such finds. The permittee will meet all necessary requirements for resolving any conflicts prior to continuing with the proposed activities within the state maintained right-of-way, and shall provide evidence of such compliance to the local VDOT Residency Office or Permit Office.
- 45. Roadway drainage shall **NOT** be blocked or diverted. The shoulders, ditches, roadside, drainage facilities and pavement shall be kept in an operable condition satisfactory to the Department. Necessary precautions shall be taken by the permittee to insure against siltation of adjacent properties, streams, etc., in accordance with VDOT's current standards or as prescribed by the Department's Environmental Manual and the District Administrator's designee.

#### **Entrances**

- 46. VDOT's authority to regulate highway entrances is provided in §§ 33.1-197, 33.1-198 [, and 33.198.1 of the Code of Virginia and its authority to make regulations concerning the use of highways generally is provided in § 33.1-12 (3) of the Code of Virginia. Regulations regarding entrances are set forth in VDOT's regulations promulgated pursuant to § 33.1-198.1 of the Code of Virginia (see 24VAC30-151-760).
- 47. The permittee shall be responsible for the design and installation of a private entrance under the auspices of a VDOT land use permit however the permittee may request that VDOT forces install the private entrance at the permittee's expense.

#### Utilities

Administrator's designee.

ayra**n**a kan a

- 49. Prior to any excavation, the permittee shall comply with the terms of Title 56, Chapter 10.3 of the *Underground Utility Damage Prevention Act* and Section 56-265.14 through 56-265.20 of the *Code of Virginia*. This permit does NOT grant permission to grade on or near property of others, or, adjust or disturb in anyway existing utility poles or underground facilities within the permitted area. Permission to do so must be obtained from the impacted utility company and any expense involved shall be borne by the permittee. Any conflicts with existing utility facilities must be resolved between the permittee and the utility owner(s) involved.
- 50. ALL underground utility installations within limited access right-of-way shall have a minimum of 36 inches of cover. ALL underground utilities within non-limited access right-of-way will require a minimum of 36 inches of cover, except underground cables that provide telecommunications service shall be at a minimum of 30 inches of cover.
- 51. Where feasible, all aboveground installations (such as fire hydrants, telephone pedestals, markers, etc.) shall be located adjacent to the outside edge of the right-of-way line and in accordance with minimum clear zone requirements. All manhole covers, valve box, etc., shall be installed two inches below existing ground line and shall conform to existing contours.
- 52. NO poles, guys, anchors, etc., are to be placed on state maintained right-of-way unless authorized under the auspices of a VDOT land use permit. At no time will any such facilities be allowed between the ditch line and the traveled roadway.
- 53. ALL overhead installations crossing non-limited access highways shall provide a minimum of 18 feet of vertical clearance or at a minimum height as established by the National Electric Safety Code, whichever is greater. ALL overhead utility installations within limited access right-of-way shall maintain a minimum of 21 feet of vertical clearance. The vertical clearance for ALL new overhead parallel installations within non-limited access rights-of-way shall be in compliance with standards as specified in the National Electric Safety Code.

#### Final Inspection and Completion of Permit

- 54. Upon completion of the work covered by this permit all disturbed areas outside of the roadway prism shall be restored to their original condition as found prior to starting such work.
- 55. Completion of this permit is contingent upon the permittee's completion of the authorized work in accordance with the approved plan and compliance with ALL governing bodies involved in the total completion of work on state maintained right-of-way.
- 56. Upon completion of the work under permit, the permittee shall provide notification, documented in writing or electronic communication, to the district administrator's designee requesting final inspection. This request shall include the permit number, county name, route number and name of the party or parties to whom the permit was issued. The district administrator's designee shall promptly schedule an inspection of the work covered under the permit and advise the permittee of any necessary corrections.

Sheriff Tony Roper Clarke County Sheriff's Office 100 North Church Street Berryville, VA 22611

Dear Sheriff Roper:

LONG BRANCH Historic House & Farm is proud to announce that we will be hosting a new event, Rock N River Festival. The festival will be a single-day Music Festival and will take place on the North lawns of LONG BRANCH. The event will benefit two additional non-profit organizations including, "The Downstream Project" and "Friends of the Shenandoah River."

LONG BRANCH Historic House & Farm will host the Rock N River Festival, Saturday, June 4, 2011 and in accordance with local regulations, this letter is to officially "notify" and request services.

We request your assistance, similar to the Balloon Festival held in October, and estimate the event will draw a crowd of approximately 475 people for the first year. However, with that being said at this time it is difficult to predict how many people will attend this first year event. We would greatly appreciate your assistance during the event:

Saturday: 11 AM to 9 PM

First Sergeant S.A. Hawkins Virginia State Police 3680 Valley Pike Winchester, VA 22602

Dear First Sergeant Hawkins:

LONG BRANCH Historic House & Farm is proud to announce that we will be hosting a new event, Rock N River Festival. The festival will be a single-day Music Festival and will take place on the North lawns of LONG BRANCH. The event will benefit two additional non-profit organizations including, "The Downstream Project" and "Friends of the Shenandoah River."

LONG BRANCH Historic House & Farm will host the Rock N River Festival, Saturday, June 4, 2011 and in accordance with local regulations, this letter is to officially "notify" and request services.

We request your assistance, similar to the Balloon Festival held in October, and estimate the event will draw a crowd of approximately 475 people for the first year. However, with that being said at this time it is difficult to predict how many people will attend this first year event.

We request and greatly appreciate your written confirmation as soon as possible in order for our application to be approved by the Clarke County Board Supervisors.

We thank you for your continuous support of LONG BRANCH. Please feel free to contact me at 540.837.1856 should you have any questions or require additional information. I look forward to your reply.

Mr. Gary Pope Clarke County Building Department 18 North Church Street Berryville, VA 22611

Dear Mr. Pope:

LONG BRANCH Historic House & Farm is proud to announce that we will be hosting a new event, Rock N River Festival. The festival will be a single-day Music Festival and will take place on the North lawns of LONG BRANCH. The event will benefit two additional non-profit organizations including, "The Downstream Project" and "Friends of the Shenandoah River."

LONG BRANCH Historic House & Farm will host the Rock N River Festival, Saturday, June 4, 2011 and in accordance with local regulations, this letter is to officially "notify" and request approval of our temporary lighting plan for the Rock N River Festival. The plan will be similar to the one presented to your office in 2006 and using Magnum MLT 3060 light towers that are used at the Balloon Festival in October, but for this June 4th Festival we estimate a much smaller number of light towers needed. There will also be a much smaller need for tent permits as the number of tents utilized at this June Festival will be much less as well.

We request and greatly appreciate your written confirmation as soon as possible in order for our application to be approved by the Clarke County Board Supervisors.

We thank you for your continuous support of LONG BRANCH. Please feel free to contact me at 540.837.1856 should you have any questions or require additional information. I look forward to your reply.

Mr. John Craft Virginia Department of ABC 460 Commerce Square Staunton, VA 24401-4432

Dear Mr. Craft:

I have completed and enclosed the ABC Banquet License application for the First Annual Rock N River Festival. The Festival will be held on Saturday, June 4th, 2011 at LONG BRANCH Historic House and Farm during the hours of 11 am to 9 pm. Please also find a copy of the 501-C-3 Federal IRS tax-exempt letter with our Employer Identification Number.

The Rock N River Festival will feature a Wine Tasting and Beer Garden where patrons can purchase either wine and/or beer for consumption. A local distributor, VA Eagle (Winchester) will be providing the beer to LONG BRANCH. All wineries participating at this Festival will be local Virginia wineries. The wineries and beer garden will be located on the West side of the Historic House on the tent pad in an enclosed area. LONG BRANCH will again have sheriff officers checking ID's and volunteers applying wristbands and selling tickets.

Please don't hesitate in calling or writing me should you have additional questions or if I have completed the application incorrectly. Thank you so much for your time and continued support at LONG BRANCH Historic House and Farm.

Sincerely,

Angela Anderson Director of Events

#### Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. We determined that you are a public charity under the Code section(s) listed in the heading of this letter.

Please see enclosed Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, for some helpful information about your responsibilities as an exempt organization.

Letter 947 (DO/CG)

Sincerely,

#### 1. Expiration of Term for appointments expiring through June 2011.

4/11/2011 Summary: The Personnel Committee recommended reappointment for:

Committee/Board	Term Length	Expiration	Name	First Name
Clarke County Library Advisory Council	4 Yr	04/15/2015	Kalbian	Maral
Clarke County Library Advisory Council	4 Yr	04/15/2015	Al-Khalili	Adeela
Clarke County Library Advisory Council	4 Yr	04/15/2015	Meeks	Robert B.
Clarke County Library Advisory Council	4 Yr	04/15/2015	Zinman	Maxine
Clarke County Historic Preservation Commission	1 Yr	04/30/2015	Nelson	Clifford
Clarke County Planning Commission	4 Yr	04/30/2015	Ohrstrom, II	George

<u>Parks & Recreation Advisory Board:</u> notify David Weiss of vacancy and request proposal of suitable replacement.

#### 2. Appointee Information Feedback Update

The Committee has asked staff to suggest a method to facilitate gathering information from appointees about the acti04/15/2015vities of the boards to which they are appointed and their level of participation and satisfaction in the process. Attached is a draft questionnaire that could be either sent to participants or used to facilitate individual discussions.

12/13/2010: The committee asked that the Appointee Questionnaire be revised to include a request for updated contact information, and to inquire about the appointee's view of the current and future most important challenges faced by the boards on which they serve. The committee also recommended that the questionnaires be mailed in January to keep them out of the holiday mail.

12/27/2011: FYI: Solicitation of Appointees - Boards and Commission web page updated for 2011.

- 01/24/2011: Questionnaires were collated and mailed to appointees. To aid analysis, Administration developed a database to log responses. As of 2/2/2011, Administration has received 37 of 83 [45%] responses.
- 02/07/2011 Summary: The Personnel Committee instructed staff to follow up with non-responsive appointees and to prepare a preliminary analysis for review at the March meeting with highlights of reported issues.
- 03/07/2011: Appointee Questionnaire Summary Analysis Report has been prepared and distributed with the March 7 materials. After reviewing the report, the Personnel Committee made the following recommendations:

- 1. Noting that a significant number of appointees expressed interest in securing additional information on FOIA, instructed staff to initiate a training session at the BCCGC and to make the session[s] available to appointees and staff.
- 2. Instructed staff to provide copies of the FOIA act to all responders indicating that they needed another copy.
- 3. Instructed staff to follow up on any non-responses asking specifically that at a minimum provide current contact information.
- 4. Instructed staff to follow up with any responders indicating that they were not in possession of bylaws or other organizational materials.
- 5. Instructed staff to further analyze the data as received and to provide letters to all members of each committee summarizing comments, general consensus and relaying any critical concerns or recommendations, as well as commendations.

#### 04/11/2011 Update:

<u>FOIA Training</u>: On 3/21/2011, initial contact was made with Alan Gernhardt, Virginia Freedom of Information Advisory Council to arrange a training session tailored to appointees and staff representatives / employees. A two-hour training session is suggested broken into two one-hour segments to address meetings and records requirements.

Committee Follow Up: A list of suggested training dates is requested.

- <u>Distribution FOIA Guide</u>: On 3/21/2011, "4th Edition 2007 Local Government Officials' Guide to the Virginia Freedom of Information Act" by Roger C. Wiley was mailed to all responders requesting a copy.
- Non-responders: As of 3/21/2011, 72 of 82 [88%] responding. All non-responders have been contacted several times. Staff representatives have been asked to follow up as an agenda item at their next-regularly scheduled meeting.
- Bylaws or Other Organizational Materials: On 3/21/2011, forwarded information to staff representatives with the request that this information be provided, where available, to those requesting; and where unavailable, to provide an explanation as to why and/or by what statue the board, commission, authority, or council operates and include that as an agenda item at their next regularly scheduled meeting.
- <u>Dissemination of Findings / Additional Analysis</u>: On 3/21/2011, forwarded compiled information to staff representatives for follow up and inclusion as an agenda item at their next regularly scheduled meeting.
- **04/11/2011 Summary**: The Personnel Committee instructed staff to provide them with the compiled data and inquired if the chairs of the various boards and committees had been provided with the data. Suggested FOIA training dates are still needed.

#### 3. Sesquicentennial Committee Appointments

Membership of the 150th Committee shall include: One member of, or appointed by, the Clarke County Board of Supervisors; One member of or appointed by the Clarke County Historical Association; One member of or appointed by the Clarke County Historical Association; One member of or appointed by the Clarke County African-American Cultural Center / Josephine Community Museum; One representing the administration of the Clarke County Public Schools; and, One member representing the Shenandoah Valley Battlefields Foundation. Other members, representative of the diversity of the community, shall be recruited by the Committee. The organizing chairman, pending elections by the Committee, is Robert Stieg, Jr., with existing initial volunteers on the organizing committee including Adeela Al-Khalili, Charles Johnston, Maral Kalbian, Jennifer Lee, Howard Means, Michael Murphy, Jesse Russell, and John Sours.

No.

- 01/10/2011 Summary: Vice Chairman Weiss expressed interest in serving on this committee.
- 02/07/2011 Summary: The Personnel Committee recommends the appointment of Vice Chairman Weiss to this committee.
- 02/15/2011 Summary: The Board of Supervisors approved the appointment of Vice Chairman Weiss.
- 4/11/2011 Update: An organizational meeting notice [scheduled for 3 pm on March 28] and request for appointment / confirmation from representative bodies was mailed 3/14/2011.
- 4/11/2011 Summary: The Personnel Committee was advised that the initial meeting was held but with very light turn out.

#### 4. Recommendation to Require Annual Audit or 990 filing

4/11/2011 Summary: The Personnel Committee recommends that the Finance Committee consider the implication of making local funding dependent upon the filing of current annual audits and/or current 990 filings for financially supported agencies and/or organization.

#### History

Last December the Board of Supervisors Personnel Committee asked staff to suggest a method to facilitate gathering information from appointees about the activities of the boards to which they are appointed and their level of participation and satisfaction in the process. A questionnaire was drafted, approved and mailed January 24, 2011 following receipt of the 2011 Conflict of Interest filing. A copy of the questionnaire is attached.

To aid in analysis, County Administration developed a database to log responses; and a copy of the logged data filtered by staff representative and broken into two segments printed on ledger to facility reading is attached. Please note names of individual responders are confidential.

### Non-responder Follow Up

As of this date, 72 of 82 [88%] have responded to the questionnaire. While this level of response is phenomenal, the Personnel Committee would like 100% response if possible and are asking appointees, at a minimum, to review contact information.

101 Chalmers Court, Suite B Berryville, VA 22611 www.clarkecounty.gov

Telephone: [540] 955-5175 Fax: [540] 955-5180

### Non-responder Follow Up Continued

All non-responders have been contacted several times by Administration; and now, we are asking staff representatives to follow up as an agenda item at their next-regularly scheduled meeting, where applicable. Contact Lora Walburn or Susanne Vaughan for a confidential list of non-responders for the boards, commissions, authorities, committees, and/or councils you serve.

#### **Preliminary Analysis**

An Appointee Questionnaire Summary Analysis Report was prepared and distributed with the March 7, 2011 Personnel Committee meeting materials and a copy is attached to this report.

### Updated Contact Information

36 individuals provided updated contact information and copies of revised entity listings are attached.

You may wish to provide the copies of these updated listings to group members.

#### **FOIA Training**

28 individuals requested FOIA training.

County Administration is arranging a training session by the Virginia Freedom of Information Advisory Council. The training session will be tailored to appointees and staff representatives / employees. A two-hour training session is suggested broken into two one-hour segments to address meetings and records requirements. Information will be provided as details develop.

### Distribution FOIA Guide

14 individuals requested copies of the "4th Edition 2007 Local Government Officials' Guide to the Virginia Freedom of Information Act" by Roger C. Wiley. On March 21, these were mailed to all responders requesting a copy.

As staff, you should remind appointees of the importance of this act because it can be a problematic issue outside the controlled environment of the meeting.

#### Bylaws or Other Organizational Materials

14 individuals responded that they did not have copies of bylaws / procedures. [See individual listings on database.]

- Where available/applicable, please provide to those group members requesting.
- If not available, please provide your group an explanation as to why and/or by what statue the board, commission, authority, or council operates and include as an agenda item at the next regularly scheduled meeting.

### Staff Representative Follow Up

- 1. Review data and comments.
- 2. Add review of findings to your group's agenda.
- 3. Provide County Administration:
  - A written mission statement. If not available, development of a mission statement is to be included on the agenda of the next regularly scheduled meeting.
  - A written summary of any follow up actions taken by your group in response to issues raised.
  - Completed questionnaires and/or updated contact information from non-responders when provided.

#### Access Independence Proclamation of disAbilities Awareness Week 2011

4/11/2011: Donald Price, Executive Director Access Independence, Inc., requested the Supervisors adopt a Proclamation of disABILITY Awareness Week [2011-03P] April 9 through 15, 2011. Due to time constraints, adoption is requested at the Work Session.

4/11/2011 Summary: Supervisor Byrd moved to adopt Proclamation 2011-03P as presented. The motion was approved as follows:

J. Michael Hobert, Chair - Aye
David S. Weiss, Vice Chair - Aye
Barbara J. Byrd - Aye
A.R. Dunning, Jr. - Aye
John R. Staelin - Aye

#### Crossover Discussion with VDOT

4/11/2011: VDOT will be presenting the results of a study on the closure of a number of crossovers on Route 7 west of Berryville.

**4/11/2011 Summary:** VDOT presented information regarding their analysis of the Route 7 Crossovers west of Berryville. Based upon their analysis, VDOT recommended closure of the crossover identified as Crossover No. 2 located at milepost 6.89. The analysis also recommended improvements to Crossover No. 1 and Crossover No. 3.

#### Fee for Service

3/07/2011 Summary: This item was added at the Work Session. By consensus, the Board authorized and directed staff to seek an analysis of the feasibility of implementation of fee for service in Clarke County.

4/11/2011: Contacted the service provider that works with Winchester and Administration is in the process of providing the information they requested in order to make a recommendation on the feasibility of fee for service in Clarke County.

4/11/2011 Summary: David Ash updated the Board on the status of fee for service noting that upon provision of information regarding details of the number and nature of calls that Premier Accounts Receivable Management, a division of Valley Health, will provide an initial feasibility analysis.

#### 4. Line of Duty

4/11/2011: The County Administrator shall provide an update on the status of the program and seek direction from the Supervisors on the response.

4/11/2011 Summary: David Ash provided an update on status of line of duty coverage mandated by the state. The Board directed the County Administrator to ask the fire companies to review and provide the information required for active members only as requested by VRS.

#### 5. Double Tollgate Planning Project and CIG Application Materials

3/7/2011 Summary: Chuck Johnston advised the Board that the business client necessary to pursue the CIG grant had withdrawn; and, therefore, there would be no CIG grant request this year. However, work on the planning grant would continue with efforts made to redefine the service area. A copy of the notification letter sent to area property owners was provided for the March regular meeting packet.

4/11/2011: Chuck Johnston will review a draft RFP for Double Tollgate Corridor Land Use Analysis.

**4/11/2011 Summary:** Chuck Johnston was directed to prepare additional information and maps depicting possible limits for a Double Tollgate Highway Corridor Plan and to modify the RFP to address evaluation of an alternative plan for development of corridor using wells and drainfields for presentation at the next work session May 9.

### 6. Request for Local Government Certification Eviction Defense Representation in the Shenandoah Valley

4/11/2011 Summary: This item was added at the Work Session. Blue Ridge Legal Services submitted a last-minute request for local government for the above-named program asking for a response no later than the close of business Tuesday, April 12, 2011.

Supervisor Staelin moved to approve the Request for Local Government Certification Eviction Defense Representation in the Shenandoah Valley as presented. The motion was approved as follows:

#### **Updates & Reminders on Previous Work Session Items**

#### A. FY2012 Budget Review and Discussion

Info Only

2/7/2011 Summary: Tom Judge, Director Joint Administrative Services, was present to review the FY2012 Budget. Supervisor Staelin moved to direct staff to ensure that any proposed budget require no increase in the real estate property tax rate above the current rate. The motion passed by unanimous vote – Supervisor Dunning absent.

Following the direction given to staff, the Board agreed by consensus to send a letter to the School Board encouraging their fiscal constraint as well.

2/15/2011 Summary: The Board of Supervisors confirmed the actions taken by the Finance Committee and instructed the County Administrator to prepare a budget ensuring that any proposed budget require no increase in the real estate property tax rate above the current rate.

3/7/2011 Summary: David Ash, in conjunction with the Finance Committee, will present the FY2012 General Government Budget for review and discussion by the Supervisors. The document shall be distributed at the Work Session. Tom Judge reviewed the most recent information available on the budget with the Board noting that there would be changes to both revenue and expenditure line items as additional information from the Commonwealth became available. Representatives from the Shenandoah Area Agency on Aging were present to discuss matters regarding the inclusion of the proposed Senior Center construction and the FY2012 budget.

4/11/2011 Update: Public hearing conducted April 5, 2011. Reminder: Budget Work Session is scheduled for April 12, 2011 at 5:30 pm.

#### B. VDOT – Secondary Six-Year Plan

Info Only

3/7/2011 Summary: Ed Carter, VDOT, has supplied samples of a standard VDOT public hearing notice and county resolution of approval for the secondary six-year plan. VDOT shall be present to review and discuss the secondary six-year plan. VDOT presented a draft plan at the Work Session. Vice Chairman David Weiss moved to approve the Secondary Six-Year Plan as provided by VDOT for discussion at the March regular meeting at which time the final version would be set for public hearing in April. The motion was approved by unanimous vote.

4/11/2011 Update: Public hearing set for April 19, 2011 Regular Meeting.

#### C. Redistricting

Access Independence announces: disAbility Awareness Week

SET A COURSE

April 9-15, 2011

March 14, 2011

Chairman J. Michael Hobert Clarke County Board of Supervisors P.O. Box 588 Berryville, VA 22611

Dear Chairman Hobert.

Attached please find our annual proclamation request for the observance of "disAbility Awareness Week", this year to be held April 9 through 15, 2011.

Central to our activities this year are various events which will bring attention to the successes of people with disabilities in our community, as well as recognition to businesses and individuals who have gone the extra mile in breaking down barriers which limit the access to many people, such as architectural structures, prejudices, and ignorance. Some of those who are or have been involved in disAbility Awareness Week activities include: Shenandoah Valley Runners; Clarke County Parks and Recreation; Shenandoah University; Lord Fairfax Community College; Handley Regional Library; the public schools of the Lord Fairfax Planning District VII; the Frederick County Parent Resource Center; Barry Lee and WINC Radio; Winchester Medical Center; HN Funkhouser Co.; and a variety of other community members, both individual and group involvement.

Thank you for your assistance in the recognition of our proclamation. We appreciate your continuing support of people with disabilities and Access Independence.

Sincerely,

Donald K Price

#### PROCLAMATION OF disABILITY AWARENESS WEEK 2011-03P

- **WHEREAS**, the United States Congress enacted the Americans with Disabilities Act in 1990, prohibiting discrimination against people with disabilities in employment, public accommodations, transportation and telecommunications; and
- **WHEREAS**, the Commonwealth of Virginia enacted the Virginians with Disabilities Act in 1985 to assure equal opportunity to persons with disabilities in the Commonwealth, and it is the policy of this Commonwealth to encourage and enable persons with disabilities to participate fully and equally in the social and economic life of the Commonwealth and to engage in remunerative employment; and
- **WHEREAS**, people with disabilities often overcome common misunderstandings about their circumstances and make valuable contributions to their families and communities; and
- **WHEREAS**, disability is a natural part of the human experience, and individuals with disabilities deserve the same rights as their peers to live independently, enjoy self-determination, make choices, contribute to society and participate fully in the American experience; and
- WHEREAS, family, friends and neighbors play a central role in enhancing the lives of people with disabilities, and people with disabilities benefit from having a network of supportive friends and family, accommodating employers and community leaders who are aware of the needs and abilities of Virginians with disabilities; and
- **WHEREAS**, millions of people in the United States have disabilities, and with the increasing age of our population, Virginians and Americans must learn more about the special needs and abilities of this growing population; and
- **WHEREAS**, agencies and organizations throughout Virginia participate in disability awareness programs during disAbility Awareness Week to enhance public understanding of and appreciation for the limitation and abilities of people living with disabilities;
- NOW, THEREFORE, we, the Board of Supervisors of the County of Clarke, do hereby proclaim the week of APRIL 9 15, 2011 as disABILITY AWARENESS WEEK; and we call this observance to the attention of all our citizens, and we urge all residents to honor this occasion.
- **IN WITNESS THEREO**F, I have set my hand and caused the seal of Clarke County, Virginia to be affixed this 19th day of April 2010.

Attached is a draft for an RFP to determine the fiscal wisdom of proceeding with economic development in the DT corridor. I understood this is to be discussed at the BOS Work Session next week.

Jesse suggested that maybe the IDA could pay for this?

#### DOUBLE TOLLGATE CORRIDOR LAND USE ANALYSIS

2011 April 5 (v2)

Clarke County, Virginia seeking the services of a firm or firms with skills in public fiscal analysis, economic development, and civil engineering to assist the County in determining the land use strategy that would best enhance County tax revenues along an approximate 600-acre arterial highway corridor.

Clarke County is in the Washington metropolitan area and located in the Shenandoah Valley between Loudoun County and Frederick County, Virginia. The subject two-mile long corridor of US Route 522 (Stonewall Jackson Highway) is located four miles east of I-81 and six miles north of I-66. At the north end of the corridor is an intersection, known as Double Tollgate. The east direction of the intersection is US Route 340 and the west direction is Virginia Route 277 (both routes are designated as Lord Fairfax Highway). Forty-eight acres at this intersection is now zoning Highway Commercial. Land to the north in Frederick County and land to the south in Warren County, has been planned or zoned for several thousand acres of light industrial, commercial, and residential land uses.

No central water or sewer services are currently available in this corridor. The 200-acre White Post Correctional Facility of the Virginia Department of Corrections is located in the southeast corner of the Double Tollgate intersection, and the DOC has stated that it is willing to make available excess capacity in its wastewater treatment plant as well as consider potential upgrades and expansions. Clarke County contracted with Chester Engineers to prepare the *Preliminary Engineering Report for the Double Tollgate Area Sewerage System, February 2011* and the *Preliminary Engineering Report for the Double Tollgate Area Water System, March 2011* to identify the costs of providing such services. Clarke County adopted a *Double Tollgate Area Plan* for land use policies in 2002 and has prepared a draft update to this Area Plan. Current land uses at the Double Tollgate intersection are served by wells and drain fields and a small single user package plant.

Clarke County is a predominantly rural jurisdiction with an objective to enhance its tax base. Development in Double Tollgate corridor has been suggested as a means to achieve this objective. The purpose of this study is determine:

- A. whether the two following specific financial goals can be met in this corridor:
  - 1. the land owner costs for water and sewer services will be competitive in the region without substantial public subsidy;
  - 2. land uses whose need for public services, particularly emergency services and education, will not add to County's fiscal responsibilities;
- B. what should be the appropriate mix of development in this corridor that will actually broaden the County's tax base; and
- C. whether it would be fiscally beneficial for the County to proceed at this time with taking the actions necessary (construction of utility infrastructure and establishment of specific land use policies/zoning) to make this corridor available for development.

Achieving employment goals is not an element of this study.

A successful respondent will demonstrate an ability to take the base information that has been prepared and complete any necessary additional studies. It should also show specific comparable experience with other jurisdictions.

#### **MEMORANDUM**

TO: Board of Supervisors Finance Committee

CC: David Ash, County Administrator

FR: Thomas Judge, Director of Joint Administrative Services

DT: April 19, 2011

RE: April Finance Committee Report

1. Transfer. The following transfer is recommended (see memo following):

"Be it resolved that \$2,000 be transferred from Planning Administration to the Historic Preservation Commission for the purpose of covering planned and existing expenditures on professional services."

- 2. Software Integration Study. The Government Finance Officers Association has presented their findings to the Joint Administrative Services Board. The study calls for future investment in an Enterprise Resource Planning System to incrementally integrate diverse government and school software systems over time, beginning with Finance, Treasury, and Human Resource applications. The Joint Administrative Services will consider the study at their next meeting, and comments from the Board of Supervisors and School Board are welcome. The Finance Committee recommends that the Joint Administrative Services Board arrange a visit to a community, preferably our size and in the Commonwealth, to learn more about the costs and benefits of such a system.
- 3. **FY 12 Budget Changes.** Budget changes were discussed, and have been acted upon by the Board of Supervisors on April 12.
- 4. School Supplemental Appropriation Request. The Finance Committee was informed of an expected request by the School Board to recognize additional State and Federal funding in the form of a supplemental appropriation. The School Board was to take up this request at a meeting on April 13. The expected action is as follows:

"Be it resolved that the School Board hereby requests of the Board of Supervisors an FY 11 budgeted expenditure increase and supplemental appropriation of \$94,028, and the recognition of additional revenue from the Federal and State governments in the same amount, these funds to be used as follows:

Increase contingency for annual leave payouts, etc	\$57,503.00
Software purchase	\$14,000.00
Purchased Services athletics	\$7,000.00
Vehicle Maintenance Supplies	\$6,500.00
School Supplies	\$9,025.00
TOTAL	\$94,028.00

- 5. School Debt Service Shortfall. The Finance Committee was informed that the interest earnings on the bond proceeds for the high school estimated to be \$124,000 less than budgeted. The committee proposed no action at this time pending additional information regarding the status of County accounts at year end Fiscal 2011.
- 6. Acceptance of March Bills and Claims. The acceptance of this report is recommended.
- 7. **Standing Reports.** The following are included: Reconciliation of Appropriations. General Fund Balance. General Fund Expenditure Summary.

RE:

Contract with Maral Kalbian

DATE: 2011 April 6

The County has an annual contract with Maral Kalbian to advise the County, principally the Historic Preservation Commission and Planning Department staff regarding historic preservation issues. The current contract, as well as for the past three years, has been for \$5,500.

Upon review of her bill submitted for work in March, it has come to my attention that with the payment of this bill, the County will have paid Ms. Kalbian \$5,665. The following is a review of Ms. Kalbian's billed hours for the first nine months of the fiscal year.

RE:

Submission Date for Local Redistricting Plans

CC:

General Registrars and Electoral Board Members; Mary Spain, Division of Legislative

Services; Joshua Lief, Office of the Attorney General

This memorandum provides official guidance and recommendations from the State Board of Elections for your locality's redistricting preparation and preclearance submission to the Department of Justice under Section 5 of the Voting Rights Act.

The SBE is highly recommending an April 29, 2011, submission deadline for your locality's redistricting plans. In addition, the SBE is recommending that your locality seek expedited preclearance review from the Department of Justice (DOJ) of your redistricting plan. The SBE believes an April 29 submission date combined with the possibility of expedited preclearance review will ensure orderly, cost-effective, and successful elections in 2011.

#### 2011 Va. Acts Ch. 3 Schedule Supports Submission on or before April 29, 2011

As you likely know, Governor McDonnell recently signed into law HB1507 (now 2011 Acts of Assembly Chapter 3), a bill that modifies the 2011 election calendar due to the effects of the decennial redistricting process. Subject to preclearance, this legislation moves the primary date from June 14, 2011, to August 23, 2011, while also preserving a full 45-day window for the transmission of overseas absentee ballots for both the primary and general elections. Consequently, absentee ballots for primaries must be sent out by July 8, 2011, and additional deadlines have been pushed into May and June. While elected offices associated with your local redistricting plans may not have primaries, it is extremely important for many reasons that you begin work on your plans immediately. In particular, if local primaries are utilized, timely distribution of those absentee ballots in compliance with the statutory deadline makes it imperative that local redistricting plans be submitted without delay on or before April 29, 2011. The Secretary of the State Board of Elections would have difficulty exercising discretion to waive the 45-day deadline for an emergency created by a failure to plan accordingly.

#### Historical Precedent Supports Submission on or before April 29, 2011

There is significant historical precedent for the Department of Justice to reject or amend plans causing a delay in preclearance and affecting important ballot preparation and delivery deadlines under the calendar. For example, four localities were directed to delay their Board of Supervisor General Elections in 1991 due to a lack of DOJ preclearance. State law (Va. Code § 24.2-313) makes only limited provision for delaying local governing body and school board elections scheduled for the general election date. Minimizing preclearance delay is essential to avoid unnecessary complication and cost. In sum, the condensed calendar makes it especially important that you prepare and submit your local redistricting plans for preclearance at the earliest possible date. Please keep in mind that under the Voting Rights Act, the locality has the burden to prove that the proposed redistricting plan or other changes meet Section 5 standards. There is no guarantee that this process will go smoothly.

#### Delay Can Adversely Impact Your Locality

Delayed action on your end could significantly impact your locality financially. There is no way to know for certain whether a state legislative primary will take place in your locality until, at the earliest, May 27 (the earliest official date under Chapter 3 where SBE would know whether or not a particular primary will be held). In the event of your locality's participation in a local, State Senate and/or House of Delegates primary, new voter identification cards must be mailed out to voters affected by redistricting at least 15 days before the primary election (i.e., by Monday, August 8, 2011). Please keep in mind that your General Registrars are working closely with the State Board of Elections in printing voter identification cards and we need the updated information contained in your plans in order to print these cards timely. If your plans are not precleared by the Department of Justice in time for the printing of these voter cards, it is quite likely that a new set of cards will need to be printed and mailed to reflect your local plan.

In addition, SBE is attempting to secure funds to help localities defray the costs of the voter cards; however, the SBE will not pay for printing two sets of voter cards in the event your redistricting plan has not been precleared by the Department of Justice within enough time. Inaction could cost your locality twice as much in printing these cards.

Please keep in mind that your general registrars and Electoral Board members are under considerable stress leading up to an election in any year. The added duties caused by redistricting and the condensed elections calendar compound these pressures. The Commonwealth is under increased scrutiny not only because it is the only state under the Voting Rights Act to hold a General Election in a redistricting year, but also because of heightened scrutiny of timely mailing of military and overseas absentee ballots. There are many challenges to overcome and Virginia will certainly be in the national spotlight this fall. Please do everything you can to provide the time and planning necessary to ensure your general registrars and local electoral boards succeed.

#### Remember to Request Expedited Review---Suggested Language

In addition to the April 29, 2011, deadline, the SBE also recommends that your legal counsel ask for expedited review when submitting your plan to the Department of Justice. 28 CFR § 51.34 (a) provides that a submitting authority "may request that the submission be given expedited consideration" and "[w]hen a submitting authority demonstrates good cause... the Attorney General will attempt to make a decision by the date requested. However, the Attorney General cannot guarantee that such consideration can be given." Submissions asking for expedited consideration "should explain why such consideration is needed and provide the date by which a determination is required."

Below, please find suggested or sample language that your locality can use when seeking expedited review when submitting your local redistricting plan to the Department of Justice:

Expedited consideration by [insert date 30 days after submission date], is requested to assure absentee ballots can be sent to absent active duty military and overseas applicants at least 45 days before primary elections scheduled for August 23, 2011 under 2011 Va. Acts Ch. 3. Va. Code § 24.2-612 implementing the MOVE Act, as well as Virginia's consent decree in *US v. Cunningham*, Case No. 3:08CV709 (12.14.2010), establish a 45-day standard for sending absentee ballots that cannot be achieved without expedited review. Preclearance on the requested expedited review calendar of 30 days

Please see § 24.2-306 of the Code of Virginia. A new voter card must be sent to all registered voters whose election district, town, precinct or polling place is changed.

<sup>&</sup>lt;sup>2</sup> Please see: http://www.justice.gov/crt/about/vot/28cfr/51/subpart e.php.

instead of 60 days will greatly benefit voters, particularly absent military and overseas citizens, as well as candidates and election officials affected by the redistricting transition.

#### Closely Monitor Your Submission

SBE recommends taking a proactive approach during the preclearance process. A DOJ redistricting analyst should contact the local submitting official and this would be an opportune time to underscore the need for expedition from DOJ. If you have not heard from DOJ by Day 10 after submission, you should take the initiative to contact the Voting Section with a phone call and reiterate your desire for expedited preclearance to facilitate the mailing of absentee ballots to overseas civilian and military voters. Further, if you have not received a response on your request from the Department of Justice after 30 days, then SBE recommends you again contact DOJ's Voting Rights Section of the Civil Rights Division and inquire as to status of submission.

#### Resources on Preclearance Process

These suggestions are consistent with Virginia Division of Legislative Services' (DLS) guidance, in particular its suggested Redistricting Calendar recommending that preclearance submissions should follow "as promptly as possible" adoption of local redistricting plans in March and April, 2011. DLS's publications, along with Chapter 25 of the General Registrars and Electoral Board Members Handbook, provide important practical guidance for specifics on the redistricting process, including information on the preclearance process. SBE staff is also available at your convenience to discuss the 2011 elections calendar and other items contained in this memo.

Sincerely,

Donald Palmer

Subject: Clarke County Board of Supervisors Report - April 19,2011

To: info@clarkecounty.gov

Cc: Jerry Copp < Jerry.Copp@VDOT.Virginia.gov>

Dave, the following is the report for the Board of Supervisors meeting on April 19, 2011. I plan to be in attendance should you have any questions. As previously discussed, this will be presented at the night meeting on that date in addition to the short presentation for the SYP Public Hearing.

#### Maintenance:

Work completed in March – Conducted pipe cleaning operations along Rte. 601; Performed grading operations on non-hard surfaced Rtes. 603, 604, 605, 621, 639, 644 and 652; Performed street sweeping in the Town of Berryville; Conducted Boom Axe operations on Rtes. 612 and 658 and brush cutting along Rte. 612 with state forces; Performed brush cutting along Rte. 761 with contractors; Repaired potholes at various locations throughout the County; Performed litter pick up on Rtes. 7, 50 and 340; Continued County wide sign repair and replacement and made shoulder repairs along Rte.7.

Work Planned for April – Continue with litter pick up and brush cutting along various routes utilizing contractors; Continue pipe cleaning operations along Rte. 601; Perform pipe replacement on Rte. 606; Conduct patching operations on various routes and use contractors to pave on primary routes; Perform street sweeping in the Town of Boyce and perform dust control on non-hard surfaced roads; Continue with Boom Axe operations and sign repair/replacement at various locations throughout the County.

#### Other projects:

Route 636, Mosby Road – Held FI meeting on April 14, 2011. Project is continuing to move forward on schedule. Updated estimate indicates that project is fully funded excluding additional lighting on Mosby Road extended.

Route 604 - Still on schedule

Route 723 – While no official decision has been made, the Town of Boyce has signaled its intention to abandon the project.

Please let me know if you have any questions.

Thanks,

ED

GREGORY A. WHIRLEY
COMMISSIONER

April 5, 2011

Mr. David Ash, County Administrator Clarke County 102 North Church Street Berryville, Virginia 22611

Dear Mr. Ash:

I am writing to inform you of the Fiscal Year12-17 Six-Year Improvement Program Public Hearings (SYIP) being conducted by the Commonwealth Transportation Board. (CTB)

The CTB will conduct these public hearings in your area and invite your comments about essential projects and programs to be included in the Fiscal Year 2012-2017 Six-Year Improvement Program (FY12-17 SYIP), including highway, rail and public transportation initiatives.

These projects and programs represent important improvements to address safety, congestion and preservation of Virginia's transportation network. It is important that we hear from you and your constituents about those projects you feel are the highest priority for the state's limited transportation funds.

The public hearing for citizens in our region will start at 6 p.m. on May 12, 2011 in Salem, Virginia at the VDOT Salem District Auditorium, 731 Harrison Avenue, Salem, Virginia 24153. Written comments may also be submitted during this informal session with a three-minute speaking limitation, or they may be mailed or e-mailed afterwards. I have attached a copy of all the hearing dates and locations in case you are not able to attend the public hearing at the Salem District.

I encourage you to attend the public hearing in our region, or one of the other hearings listed on the attachment list if it is more convenient for you. If you cannot attend the briefing or hearing, you may send your comments to Programming Director at 1401 E. Broad Street, Richmond, VA 23219 or e-mail them to Six-YearProgram@vdot.virginia.gov.

I truly appreciate your attendance at this session. If you have any questions prior to the meeting, please contact me at 540-332-9091.

#### 2011 April 19

Programming Director Virginia Department of Transportation 1401 East Broad Street Richmond, VA 22207

The Clarke County Board of Supervisors has reviewed its priorities for primary road improvements in the County and requests the Commonwealth Transportation Board to allocate available funds accordingly. The following list of projects has been put before the CTB for many years. We realize that the Commonwealth's transportation improvements are being made within severe financial limitations; nevertheless, we feel that these projects are of significant benefit to the Commonwealth as well as Clarke County.

Currently, two projects are underway that the County would like to be completed:

- 1. Rt. 7 Business (West Main Street)/ Rt. 636 (Westwood Rd) intersection and Rt. T-1035 (Mosby Boulevard) extension on west side of Berryville
  - This project is the County's top priority, as it will serve the new county high school that is under construction as well as two existing schools.
- 2. Waterloo Intersection (Rts. 17/50 [John Mosby Highway] and Rt. 340 [Lord Fairfax Highway])

  This project was first put on our priority list in 1992. Partial funding for engineering design has been approved and we ask for full funding to complete the design phase of this project.

The County's priorities for future projects are:

- 1. Rt. 340 (Lord Fairfax Highway) and Rt. 657 (Senseny Road) intersection .5 miles south of Berryville This project has been on our list of priorities since 1998. This continues to be a very unsafe intersection.
- 2. Rt. 7 (Harry Byrd Highway) and Rt. 612 (Shepherds Mill Road) intersection 3 miles east of Berryville This intersection is unsafe due to sight distance and increases volume of traffic
- 3. Double Tollgate (Intersection of Rts. 277, 340, and 522)
  - This project has been a priority since 1997; traffic volumes on Rt. 522 increased 34% from 2001 to 2009.
- 4. Rt. 340 Drainage in the Town of Boyce
  This project has been on our list of priorities since 2003.
- 5. Rt. 7 Business on east side of Berryville (approximately .94 miles of Primary Highway)
  This project has been on our list of priorities since 1995.
- 6. Park and Ride lot on Rt 7, preferably located in Frederick County, origin of most commuter traffic Commuter traffic on Rt. 7 increased 55% from 2001 to 2009; alternatives to SOVs must be provided.
- 7. Rt. 7 Business on the west side of Berryville (approx. 1.2 miles of Primary Highway)
  This project has been on our list of priorities since 1992.

Attached is the Transportation Component of the County Comprehensive Plan, containing a more detailed description of each project. Again, we appreciate any assistance you can provide.

Michael Hobert, Chairman

- Deadline reminder for signing up for the 4-H District Contests (31)
- Club list to Farm Bureau representative as requested to verify we did not have clubs west of Berryville; informed him we had clubs in the Boyce area but they had lost their meeting place
- Congratulated newest All Star member
- Sent camper's request to be a camp CIT to Warren County 4-H Program Technician for review
- Sent information about participating in the HarvFest Festival to Frederick County 4-H Agent and Program Technician for HarvFest organizer (2)
- Sent State Leaders' Association information to leader as requested
- Informed Leaders' Association president how Clarke has been involved in the 4-H Japanese Exchange program over the years
- Contacted family who has hosted Japanese children in the past to see if they knew how they were doing & whether their daughter's trip to Japan would be cancelled for this summer
- Requested EIN for the Leaders' Association for the IRS spreadsheet
- Sent requested IRS information to State 4-H Office
- Reviewed list of 4-H counselors for Warren County 4-H Program Technician to see how many might not be able to attend counselor training on June 11 due to Lamb Camp
- Informed District Contest Organizer that I would contact our Fashion Revue participant to see which event she wanted to do since she cannot do both Fashion Revue categories
- Sent Fashion Revue participation update to District Contest Organizer
- Recorded donation received for Leaders' Lamb & Goat Show; emailed treasurer of receipt (2)
- Sent information on the Mid-Atlantic Carcass Contest to the state 4-H listserv and to 2 Vo. Ag. Instructors (206)
- Responded to 4-H Center's inquiry about use of P-cards to pay the Center for 4-H camp
- Sent additional Presentation information for District Contest to registration chair
- Backed up 4-HPlus datafiles; created quarterly ES237 Report and submitted to VA Tech

#### Mailings/Faxes:

- Mailed: project books to Bells & Violetta; health form to leader for completion; Equine Alliance package to president of Leaders' Association (4)
- Notice to County contest participants (without emails) of the District Contest Date and asked them to let us know if they wished to participate (3)
- Clarke-Frederick Beef Show information to 4-Hers/FFA members without emails (4)
- Clarke-Frederick Lamb Camp information and registration to 4-Hers without emails (2)
- Wrote letter to Share-the-Fun, Presentation, Extemporaneous Speech, Fashion Revue participants about District Contest eligibility
- Sent District Contest information and score sheets to the county contest participants (42)
- 4-H newsletter to those without email (34)
- Sent Market Lamb Project Guide to 4-Her
- Sent Record books to be used for Bred and Owned Goat & for Goat Herd to Shippas
- Printed 2010 camper labels and 4-Her labels for the Camp mailing; prepared envelopes; also printed camp brochure and mailed (246)
- Sent Rules and Regulations for the Beef, Sheep, Swine, and Goat Departments to livestock exhibitors without emails (8)
- Sent parent Club List with clubs having goat project members highlighted as she'd like to become involved
- Wrote Share-the-Fun thanks you notes to judges, stage crew, sound crew, emcees, and Boyce principal (11)
- Prepared letter to Cloverbuds to send with Presentation Score Sheets (5)
- Prepared the 4-H Congress packets; mailed to Senior 4-Hers (48)
- Mailed Clarke-Frederick Beef Show information to Lexi Miller

- Mailed swine project materials to Lauren Shippa as requested after verifying with Agent that it was not too late to sign-up
- Mailed Commercial Doe record books to leader after checking with Agent on which project to use
- Sent Congress volunteer/chaperone information to Ben Orndorff
- Updated mailing labels of club/camp treasurers; reviewed bank statements; mailed to clubs' treasurers and leaders (22)
- Copied/mailed Cloverbud/Parent Camp information to age appropriate 4-Hers (30)

#### **Phone Calls:**

- Talked with Chair of Lamb/Goat Show about her dilemma with the judge selection and other committee members; gave her addresses so she could write thank you letters for the Leaders' Association dinner/auction
- Received call from Berryville Baptist Church Secretary to let us know that our clubs would need to use a different meeting room since there will be a ladies' Bible Study on the night of our clubs' meetings; called Leaders who were affected by this (3)
- Received registration for 4-H District Contest
- Answered question regarding Glenwood Show
- Received request that livestock department rules be sent out so kids know changes before making their purchases
- Received request for copy of health form for a new 4-Her who joined Hout 4-H Club; leader also told me of 3 fundraisers that their club would be having
- Request for Market Lamb Project Guide
- Talked with Leader about project books for Commercial Doe and Bred and Owned Goats
- Called parent to verify camper's birth date
- Parent confirmed her 2 daughters would like to participate in District Contest
- Parent confirmed his 2 sons would like to participate in District Contest
- Talked with HarvFest Festival coordinator re:4-H participating and the selling of alcohol at the event
- Talked with Shenandoah County Agent about rules for 4-Hers being at event where alcohol is served; there is no rule but should manage all risks; separate drinking from the kids; document conditions with organization
- Talked with leader about being a judge for District Contest
- Parent confirmed her son's Share-the-Fun Act would like to participate in District Contest
- Received request from leader to send her some Junior Commercial Doe project books & email addresses for the 2 Vo. Ag. Instructors
- Gave parent date children needed to be enrolled in a swine project
- Told parent the 4-H camp brochure would be posted on our website
- Received request from leader for a mission statement for the volunteer leaders' association
- Talked with parent about his son joining the Outdoor Adventure Club
- Received request for Clarke-Frederick Beef Show entry forms
- Provided leader's contact information to Johnson Williams Apartments' Manager; this club has visited and interacted with residents on a regular basis
- Assisted parent locate camp brochure on website
- Received Leaders' Association's EIN
- Left message for the Denson's to give me a call to let me know which Fashion Revue category Melissa would like to do at District Contest

#### Other Tasks:

- Received updates for Equine Enthusiast members from leader
- Attended Leaders' Association meeting
- Received camp registration forms (4)
- Gave parent camp forms and answered questions
- Talked with Chair of HarvFest about how they would like to involve 4-H; gave her contact information for John Tiedemann for dj and community adult clubs; I am to share information with our clubs and the Frederick County office
- Received camp registrations and wrote receipts (12)
- Delivered camp brochure to School Board for approval; also delivered job referral for one of our 4-H leaders
- Gave leader project books for her 4-Hers and a Lamb/Goat Show donation check

- Received 4-H Camp CIT application to give to the Warren County 4-H Program Technician
- Gave parent camp scholarship application
- Received camp registration and scholarship application
- Updated Clarke-Frederick Beef Show Rules and Regulations
- Worked on the final District Contest letter to send once we have all the details
- Created Excel worksheet indicating which 4-Hers were showing the various livestock at fair time so that I could easily email show information to them
- Wrote the 4-H newsletter
- Attended 4-H Agents' meeting in Page County
- Copied health form to give to leader at meeting Thursday night
- Developed a spreadsheet for the 4-H Achievement Banquet as requested by Leaders' Association; made copies for their meeting
- Updated Fair Rules and Regulations for the beef, sheep, swine, and goat departments highlighting changes that affect the 4-Hers
- Uploaded 4-H newsletter to office website
- Recorded receipt of donation for Leaders' Lamb & Goat Show
- Updated camp brochure with the required wordage for distribution in the schools; prepared Request to Distribute Information form and submitted form to School Board Office for approval
- Updated Congress letter to send to senior 4-Hers with registration packets; copied packets and mailing labels
- Set up new Access file for Summer Camp Registration
- Began entering camp information into new camp database
- Processed camp registrations received in the mail: wrote receipts, verified age and if a first time camper; Assigned campers to Packs; entered into database
- Entered 16 District Contest participants, 3 judges, and 1 room chair on-line
- Signed up for 4-H ACCESS training (our new database program to use with 4-H)
- Updated 4-Hplus database

**42 Phone Contacts:** 

- Wrote 4-H camp article for 4-H page on our website; uploaded brochure
- Reorganized 4-H project book files
- Entered Clarke-Frederick Beef Show entries into database
- Worked on 4-H project book files
- Reviewed 4-H Club and Affiliation spreadsheet sent by the State 4-H Office to update for IRS purposes

1121 Email Contacts:

- Printed lists for Cloverbuds and for 4-Hers between the ages of 11-13; also printed labels for mailings
- Received Clarke/Frederick Beef Show entry via mail; posted to datasheet

#### Memorandum

To: David Ash, Board of Supervisors

From: Alison Teetor
Date: April 12, 2011

Subject: Summary of meeting discussing building energy retrofits

In January, staff provided a report summarizing County energy use in 12 County buildings. One recommendation in the report was to retrofit the buildings with the highest energy use

On March 17, 2011, Alison Teetor, David Ash, and Bobby Levi met to discuss potential energy retrofits in the District Court, Circuit Court, and Sheriff Department buildings.

Part of the discussion involved the recommendation to instal centralized on demand water heaters. Mr. Levi suggested this approach be researched. In the meantime Mr. Ash suggested installing hot water heater timers on all hot water heaters throughout the county.

Another suggestion was to begin retrofitting the pool light switches with light sensors and to installing automatic shutoff fixtures for the showers and sinks. This will be implemented as funds become available.

The following table summarizes the recommended energy conservation measures (ECMs) and time table for implementation for the three buildings as based on the energy audits.

Sheriff's Department		
Proposed Energy Conservation Measures	Action	<b>Completion Date</b>
1. Restrooms with 2.2 gpm fixtures should have the 0.5 gpm aerators installed. Installing low flow faucet aerators would reduce water and sewer costs as well as domestic hot water use. Low flow faucet aerators replace the original faucet aerator and maintain the force of the water while reducing the flow. They are inexpensive and can quickly be retrofitted by maintenance staff.	Replace aerators	May 1

2. Install wall switch occupancy sensors. Occupancy sensors reduce electricity use for lighting by ensuring that lights turn off automatically when areas are unoccupied. The sensors will be particularly useful in the restrooms because lights are frequently left on in these areas.	Most restrooms currently have occupancy sensors. Maintenance staff will identify any additional needs and install where appropriate.	May l
3. Insulate the boiler steam piping to meet IECC (International Energy Conservation Code) steam pipe insulation requirements. Insulating the steam piping will decrease heat losses, resulting in increased efficiency and reduced fuel consumption.	Cost estimates to be obtained	June 1
4. Replace the existing 4ft, 34W and 8ft, 75W, T-12 lamps with high efficiency, 25W, T8 lamps and 8-foot T-8 bulbs. Additionally, replace the existing magnet ballasts with high efficiency electronic ballasts. The new high efficiency lamps and ballasts will significantly reduce electrical consumption while maintaining acceptable lighting levels in the building.	Lamps are being replaced on an ongoing basis.	Ongoing
5. Replace the existing 60W and 75W incandescent bulbs with compact fluorescent bulbs. Compact fluorescent bulbs use significantly less energy and last approximately ten times longer than incandescent bulbs. Using compact fluorescent bulbs will reduce electrical consumption and maintenance.	Replaced with LED's for increased efficiency.	Complete
6. Replace exiting windows with energy efficient windows with a U-factor and Solar Heat Gain Coefficient (SHGC) ratings of 0.30 or less. The National Fenestration Rating Council (NFRC) will certify the ratings. Current windows and frames allow infiltration from untreated outside air increases heating demand in the winter and cooling demand in the summer. Additionally, infiltration from untreated outside air causes humidity problems that exacerbate occupant discomfort. Replacing windows reduces both electrical energy use and natural gas consumption, as	To be priced during proposed renovation.	To be determined

well as increases occupant comfort.		
7. Weather seal the doors to prevent building infiltration, thus increasing the overall efficiency of the HVAC system. This measure will help reduce natural gas and electricity consumption, while improving interior conditions for occupant comfort. Use commercial grade weather stripping and weather sealing thresholds.	To be completed during renovation	To be determined
8. Install a centralized on demand water heaters. Demand (tankless or instantaneous) water heaters provide hot water only as it is needed. They don't produce the standby energy losses associated with storage water heaters that will save money. Since the hot water demand is small in this building, no additional water storage tanks or electric heaters will be needed for this system.	Mr. Levi recommended researching options and pricing and considering for future installation	Future
9. Add additional insulation in the attic to bring level from R9 to R30 and crawl space from no insulation to R11 in order to improve heating and cooling efficiency.	To be completed during renovation	To be determined

2. Install wall switch occupancy sensors in all the offices on both floors throughout the building. The restroom on the second floor and the hallway on the first floor currently have occupancy sensors installed.  Occupancy sensors reduce electricity use for lighting by ensuring that lights turn off automatically when areas are unoccupied.	Most restrooms currently have occupancy sensors. 7. Insulate crawl space to R11 to improve heating and cooling efficiency.	Obtain cost estimates	June 1
8. Program thermostats	Ms. Teetor will talk to building occupants regarding schedules to determine appropriate setbacks	May 1

2. Install shut off timers to turn the copiers off during unoccupied building hours. Copiers use energy when in the sleep or standby mode and this energy usage can be eliminated with the use of shut off timers. This method will reduce electrical consumption and increase the life of the equipment.	Research to determine if copiers can be programmed to automatically shutdown, consider if timer would shutdown to abruptly thereby damaging equipment	May 1
3. Replace existing 4ft, 34W, T-12 lamps

with electronic ballasts. The new high efficiency lamps and ballasts will significantly reduce electrical consumption while maintaining acceptable lighting levels in the building.		
4. This building is also a candidate for delamping 50% of the 19 fixtures located in several of the rooms around the judge's chambers. Replacing the 4-lamp, T-12 bulbs and ballasts with 2-lamp, T-8 bulbs and ballasts can save approximately \$13/fixture annually, and cost about \$150/fixture. This price includes the cost of the lamps, ballasts, and fixtures.	Will be completed as part of renovation	Ongoing
5. Replace existing incandescent bulbs with compact fluorescent bulbs. Compact fluorescent bulbs use significantly less energy and last approximately ten times longer than incandescent bulbs. Using compact fluorescent bulbs will reduce electrical consumption and maintenance costs.	Replaced with LED's for increased efficiency.	Complete
6. There is one room in the judge's chambers that has 100% recessed incandescent lighting. This room is an excellent candidate for de-lamping approximately 50% of the 21 fixtures. Simply removing the bulbs from 50% of the lights can generate savings of approximately \$84 annually, for the cost of about an hour of labor.	Will be completed as part of renovation	Ongoing
7. The currently installed wall heat pumps are nearing the end of their life and will require replacement. It is recommended that these units be replaced with new, high efficiency units that are thermostatically operated.	Will be completed as part of renovation	Ongoing
8. Since the occupancy of this building varies depending on when court is in session, having programmable thermostats will greatly reduce unnecessary electrical energy consumption that occurs when the heat pumps are left on in unoccupied spaces. Unoccupied set points shall be	Will be completed after renovation	Future

programmed to be 85°F cooling and 55°F heating.  9. Weather seal the doors to prevent building infiltration, thus increasing the overall efficiency of the HVAC system. This measure will help reduce electricity consumption, while improving interior conditions for occupant comfort. Use commercial grade weather stripping and weather sealing thresholds.	Renovation will replace door with insulated steel doors	Ongoing
10. Install a centralized on demand water heaters. Demand (tankless or instantaneous) water heaters provide hot water only as it is needed. They don't produce the standby energy losses associated with storage water heaters that will save money. Since the hot water demand is small in this building, no additional water storage tanks or electric heaters will be needed for this system.	Research to determine cost benefit. Recommend placing hot water heater timers on all hot water heaters	June 1.
11. Add additional insulation in the attic to bring level from R9 to R30 and crawl space from no insulation to R11 in order to improve heating and cooling efficiency.	Obtain bids	June 1
