

Clarke County Monument Committee

What At Least One Committee Member Asked To Learn

What is the history of the Statue?

What were people thinking when the Statue was erected?

What are the legal restrictions/implications for taking any action?

What have other Cities and Counties done?

What does the Clarke County community think about the stature today?

What other Civil War memorials exist in the County?

What other memorials (not Civil War) are on the Court House grounds or on County property (School & Government)?

Are there other Civil War era County citizens who deserve recognition?

Are there other past Clarke County residents/events that deserve recognition?

Groups That That Were Mentioned That Might Offer Input

Relatives of those commemorated on the Statue.

Sons/Daughters of the Confederacy. American Civil War Museum

Josephine School Museum.

Another (small) City or County that has gone through the process

Specific individuals were mentioned (need to get permission before listing publicly).

How Best To Communicate What Is Learned And Decided
