

# Public Hearing Notice

---

The Board of Supervisors of Clarke County will conduct public hearings in the Berryville Clarke County Government Center Main Meeting Room, 101 Chalmers Court, 2nd Floor, Berryville, VA, on Tuesday, October 18, 2022, at 6:30 pm to hear public comment on the following matter:

**PH 2022-17:** CC-2022-07 The Clarke County Board of Supervisors shall consider amending Clarke County Code Chapter 57 Special Events in its entirety. The proposed ordinance revisions make it clear special events must follow the county noise ordinance, increases the minimum lot size for medium events to 25 acres and for large events to 50 acres, transfers the small event approval authority from the County Administrator to the Board of Supervisors, limits the number of days a special event can occur on a parcel to five days in a calendar year, and notes camping must comply with the Zoning Ordinance. The permit approval process changes to require an agency review meeting to be held on-site before an application is made, requires the county to post signage on the property to inform the public an application has been received, requires the county to notify adjoining property owners, and clarifies the public comment process.

**PH 2022-18:** Budget Amendments to the Approved FY23 Budget: The Clarke County Board of Supervisors intends to amend the FY 2023 budget. The budget amendments include the receipt and expenditure of William and Mary Project HOPE for Homeless Children and Youth (ARP Funds) in the amount of \$432.53; Chesapeake Bay Watershed Grant in the amount of \$20,270; Claude Moore Foundation Grant in the amount of \$10,000; Virginia Department of Health/Virginia Department of Education School Based Health Workforce Grant in the amount of \$77,964, and Virginia Department of Health Safe Reopening Grant in the amount of \$92,400. In addition, the budget amendments add revenue from IDEA 611 Grant in the amount of \$18,237, IDEA 619 (Pre-K) Grant in the amount of \$879, Title IV Grant in the amount of \$451.75, and USDA/VDOE Supply Chain Assistance Funds in the amount of \$34,597.63. These amendments allow Clarke County Public Schools to receive and expend grant funding not included within the approved FY23 budget.

Information regarding the above matters are available to the public in Clarke County Administration office and on the County website. Any person desiring to speak on the above matters should appear at the appointed time and place. Written copies of statements are requested but not required.
